SPECIAL APPARITION OF THE VIRGIN MARY, ROSE OF PEACE, AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Let us sing "Hail, Hail Mary."

In the name of the Father, the Son and the Holy Spirit. Amen.

Repair the Heart of the Mother of God, severely outraged by the indifference of the world, by all those who do not help those who suffer and face adversity.

My children, repair the Heart of the Mother of God, severely offended by the actions of the world, by the lack of consciousness and discernment.

Today, repair the Heart of the Mother of God so that God can grant you His Mercy and His Peace.

With special attention and care, I have accompanied the latest events in the world. I have especially held in My Heart, under the protection and shelter of My Divine Spirit, the children in war, the children in the oceans.

With the consciousness that humanity has acquired throughout the ages it is very serious that these things happen at this time. For this reason, today, My gaze and My eyes are downcast so that you can understand the Face of the Mother of God, the Mother of the refugees and the overwhelmed.

For a moment, place yourselves in the opportunity of being able to serve, through prayer, before all these events that need the special attention of My children at this planetary moment.

God no longer wants to think about Justice, but He wants you to live in His Mercy so that you stop suffering and enduring what each of you decide for yourselves or for the great nations.

At this moment, My Son is preparing Himself to be able to return, to be able to place a universal, spiritual and inner order, in the face of everything that is happening in the world and in the face of everything that many do not know and cannot see.

By repairing the Heart of the Mother of God, you will also repair the Heart of the beloved Son, perceptively wounded by the offenses of the world and also by indifference.

This is the moment when everyone must understand one another as brothers and sisters, and this goes beyond religion or your own beliefs.

Brotherhood is part of universal order. If humanity does not live this order, the planet will not stop suffering, because until hearts do not live the Laws, that is, the Commandments, peace will be lacking.

The universe holds many treasures and many gifts and it expects that its humanity be a partaker in all these Graces.

When My Son returns, He will start to work in the most unknown situations for you, in what you could not even believe that My Son, the Christ, could intervene, and also redeem and reconcile.

It is in the consciousness of each of My children where the great change must be lived so that the situations that are happening in the world today may no longer occur and that they can help each other as brothers and sisters, knowing that at the end of time everyone will need help, because it will not matter how much you have or how much you possess, if you are rich or if you are poor, that will not matter to God.

My Son will return to raise the people of Israel again, that people that today is present throughout the planet and that one day must be one tribe, that will live again and reintegrate in its consciousness the attributes of the Divine Project of God to thus give continuity to the New Earth.

You will think, My children, that this will be impossible, but today I tell you and I reveal it to you because I am the Spokesperson and the Messenger of God.

The Heart of the Father waits patiently for the change of His children, for the great life lesson that today many should already be living, especially those who follow Christianity, the path of My Son. That lesson is to love one another in a way that you do not yet understand or live.

But an important key for each of you is that this love, no matter how imperfect and human it may be, is a love that can be sublimated and transcended through the consecration of your lives, through the service of your lives, through absolute confidence that you and your brothers and sisters can unite mutually, beyond differences.

Today my Immaculate Heart opens to be repaired by the love and caress of Her children; because this is the Heart that suffers for humanity, that suffers today for the refugees and the exiled of the whole world, for the landless, for the enslaved and exploited, for the homeless and helpless.

I am the Mother of those who are discarded, offended and repudiated, not only because of their misery or poverty, but also in a spiritual way, they are rejected with great indifference and impunity.

At this time, who will give their hands, completely in donation and in service, to stop living the world indifference, and give of themselves as My Son entirely gave himself to you?

Who will give their feet so that My Son can step firmly, by means of their lives and souls, on the paths of this world?, carrying His Love and His Word, His Comfort and His Charity, despite what it may cost, even giving their lives for the repair of My Immaculate Heart so that Creation may be repaired of everything that the world does at this moment, due to the high degree of ignorance and indifference?

I call you to be comforters within My maternal Spirit. Which can also be My arms that welcome, accept, understand and, above all, love their neighbor, beyond everything.

You, My children, have no impediment to be able to love. If you love, as I need it, the world will be converted, even if it costs a lot; because on the surface of the Earth there will be brave spirits, redeemed stars that will shine in the abysses of this world to bring Light and Peace.

I want you to continue working, in what is left of this month of May, for the re-consecration of your lives to My Immaculate Heart. Because this, at this moment, is what widely justifies all the mistakes

that the world makes today through wars, humanitarian crises, indifference and the dismissal of those who suffer, those who have nothing.

This is how you, who are by My side through an unknown Grace that you still do not understand, I invite you to live in greater depths, not only practicing the Love of God, but I also invite you and I call you to live gratitude so that you never forget that you have always been rewarded by the treasures of Heaven, through the Presence of Saint Joseph, your Heavenly Mother and the Sacred Heart of Jesus.

I ask you not to lose hope. When the cross becomes heavier, that is when the victory can be very great.

Imitate My Son, in all that you can. Be generous, merciful and you will be able to love your neighbor, just as you would like them to love you. This is the time to practice human fraternity and that your lives be the example of the Words of Christ.

May Our Messages leave your minds and enter your hearts because that is where the Divine Work will be carried out in a hidden way.

And, time and again, you will confirm that I have always been here, not only for you but also for the whole world, as I am here today, for the entire planet.

God has asked Me, and today I ask you, that because of this Marian month, in which many souls still need to enter My Immaculate Heart, today the Eucharist be celebrated again, not only to repair the Heart of the Mother of God, but we will also celebrate the Light of the Eucharist so that the divine and unfathomable discernment inspires the governors of the world to establish peace and immediate assistance to all the refugees of the world, so that the spiritual attributes of the human family be re-integrated, so that exiled and displaced families may have the Grace of rebuilding their lives entirely.

This is why today, the three angels who accompany the Mother of God, representing the Father, the Son and the Holy Spirit, will receive your offering, your most sincere inner offering so that everything may be repaired and the world receives more time of peace, so that the great change of consciousness may take place.

I will celebrate together with you and for your brothers in the world in the name of My beloved Son.

Friar Elías del Sagrado Corazón de Jesús:

From the depths of our hearts, in the presence of the Immaculate Heart of Mary, which is the cause of our constant joy and renewal, let us offer this Sacrament of the Altar, consecrating these elements that will be converted into the Body and Blood of Christ, so that the Source of His Grace and His Mercy may descend upon humanity and, especially, upon all the refugees of the world.

Lady of Light, Mother of the Divine Mercy, Mirror of Justice and Wisdom, unfathomable Source of Love and Grace, make us partakers and deserving of this ministry through the Sacrament of the Eucharist so that Your divine and sacred attributes, that spring up like a flame of Love from Your

Immaculate Heart, may strengthen and commit us more each day to serve Your Son, for humanity. Amen.

On the night that Jesus was to be given up, He gathered His apostles in the Cenacle and offered Himself unconditionally for each one of us.

Thus, He took the bread, raised it and offered it to the Eternal Father to be converted into His Body. After this transubstantiation, Jesus then broke it and offered it to His companions saying to them: "Take and eat it, because this is My Body that will be given up for you, for the forgiveness of sins."

We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen.

Before finishing the Supper, Our Lord took the Chalice in His Hands and also offered it to the Father so that the Chalice would be transubstantiated into His precious and divine Blood. Then, Our Lord offered it to His Apostles, as He offers it to each one of us today, saying to us: "Take it and drink it, because this is the Chalice of My Blood, the Blood of the new and eternal Covenant, which will be shed by your Lord for the remission of all faults. Do this in memory of Me, until I return to the world. "

We praise you, Lord, and we bless you.
We praise you, Lord, and we bless you.
We praise you, Lord, and we bless you.
Amen.

The Body and Blood of Christ. Blessed are those who today avail themselves of this spiritual Sacrament, to live again in the Heart of the King.

United with the Father, the Son and the Holy Spirit, let us pray together the prayer that Jesus taught us. And at this moment, united as one heart and one mind, we carry out, through this prayer of the Our Father, our act of reparation to the Immaculate Heart of Mary and for all the refugees of the world so that Light, Love and the Peace of the Sacred Heart of Jesus fill the souls that need it most.

Prayer: Our Father.

May the Peace, Love and Mercy of Our Lord, Jesus Christ, and of the Immaculate Heart of Mary descend upon the planet.

"Lord, I am not worthy that you should enter under my roof,
but only say the word, and I shall be healed.
Amen".

With love and reverence to all the inner Christs of our brothers and sisters, we announce, through three bell sounds, the spiritual Communion of all the souls of the world who follow Christ.

My God, I believe, I adore,
I wait for and I love Thee.
I ask pardon
for those who do not believe,
do not adore, do not wait for and do not love Thee.
Amen.

Let us feel in our hearts the Communion with Christ, and, thus, united to Him, in spirit and in love, we renew our vows of service, consecration and surrender, for the victory of His Cross and the triumph of the Immaculate Heart of Mary.

Dear children, I leave you My Peace, so that Peace may abound on Earth and, above all, in the hearts that most need the spirit of My Peace to reaffirm their commitment to God and His Plan of Love.

I thank you for having responded to My call.

I love you and I bless you, in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

At the request of the Divine Mother, we withdraw through a song inspired by Saint Teresa of Jesus, so that she too may be our model in the example of service and perseverance, of absolute faith in our Redeemer.

We will sing with devotion: "Let Nothing Disturb You."

Thank you all.
