APPARITION OF THE GLORIFIED CHRIST JESUS, AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SACRED CALL

*We praise You, Lord, and we bless You,
for by Your Holy Cross, You redeemed the world.
Amen.*

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, I have you cover your heads, just as I am doing at this moment, and I invite all those who can, to do so as well so that your souls and especially your consciousnesses withdraw into the Heart of God, the safe and the favorite dwelling of the children of the Father.

I ask you to do this exercise, at this time, to accompany your Master and Lord in this spiritual and also planetary task that today I carry out, together with you, and you carry it out together with Me, in withdrawal and reflection.

Today, on the eve of Pentecost, I gather you together as My apostles of the past so that the Holy Spirit and all His divine Gifts, prepare you in this time for what is to come.

I do not come to impart fear to the world, because the world itself already lives many fears, I come to ask the Holy Spirit to lead each one of Mine towards reflection about the importance of maturing and growing internally, the importance of humbling oneself and of surrendering outwardly so that adversity will not cause My companions defeat at this time, but rather that their spirits may be brave warriors of peace, who firmly follow the steps of the Redeemer.

Also, on this day, when the inner Aurora shines in the heart of each being, through the Presence of the Celestial Mother, a cycle is closing in this month of May. And, today, your Master and Lord humbly deigns to come to meet you in order to close this cycle.

The times of the Hierarchy before were longer, they were more prolonged and lasting cycles. When this twenty-first century began for you, those cycles shortened and they were quickly presented to all of humanity in a more decisive and rapid way.

The cycles that the Hierarchy live today and the cycles that your internal worlds can live today are daily impulses, second by second, before those cycles were throughout the years, or even throughout decades.

I abruptly stop so that you are concentrated and drink from My Words that lovingly only want to give you impulses for your spirits, for all your souls; because these impulses that I bring you today are the last of this cycle that I have lived with you in the last seven years of My Apparitions.

You accompanied Me for some time in the daily cycles, then you accompanied Me in weekly cycles, after, you accompanied me in monthly cycles, as it is up to now, and finally, for the coming

time, you will accompany me in annual cycles. These cycles, which will be the last to come, Christic cycles for all humanity, will consist of seven cycles.

When that is fulfilled, other situations will happen on the planet. And it will be at that moment, and at that time, within that cycle, that I will deliver to you, in some way or another, where your spirits will be able to live the last cycle of redemption; so that I find you ready when I return to the world and reappear to search for Mine, for those who in the surrender and resignation of their lives and their consciousnesses followed the steps of the Words of the Lord, Words that may be within you for your whole life.

In this withdrawal, but also in this synthesis, that we live today, your Master and Lord teaches you to read the events, to learn through the events and to grow through the events.

Because your lives and above all your minds can not understand what the Celestial Hierarchy is doing and carrying forward at this time.

The impulses that Divine Messengers give are unrepeatable, it is time for you to understand and also see that, in what seems to be the same, the impulses that we give you are never the same, because they come to place you upon the step of evolutionary life that each of your spirits must reach, in union with the dwelling of the Heart of God, where His whole Will, all His Principles and all His Intentions are kept.

Companions, on this day of synthesis of the impulses of the Divine Messengers for the month of May, have you asked yourselves:

Have I already taken one more step towards the Heart of God?

Have I understood how to face the transformation of my life?

Do I cling more each day to the Tunic of the Redeemer so that with His unconditional and loving support, no opposing force can take me from His path of love and redemption?

On this day of synthesis, have your consciousnesses wondered:

How can I give more of myself, from my inner world to my outer world?

How can my consciousness, but, above all, my cells and atoms transcend to illuminate life and everything that surrounds?

Have I learned how to deepen the degrees of love?

How charitable am I towards my fellow being?

How much more have I been able to learn to love, without conditions and without rules, just as I love you, even if you fall at My feet or often fail to follow My steps?

And finally, in this planetary scenario of suffering and adversity, have you asked Me:

Lord, am I ready?

Is my heart ready to experience the driest deserts for You, no matter what that means or represents?

Would I be capable of drinking the bitter gall that You drank on the Cross, feeling a deep thirst for all souls?

As never before, companions, beloved of My Father, I have given you all the tools, internal and external, so that you can move forward in this planetary transition and learn to one day surpass Me in love, as some have already learned to surpass Me in love.

For this reason, My Holy Mother, who is your beloved Mother of Heaven and Earth, yesterday invited you and called you to live in love. That is not something that can remain stationary or static.

The Love that I bring you is part of a cosmic dynamism, of a universal Law, it is the Love that has created you, in the image of the Father. Because He only needs you to love Him as He loves you so that you learn to live an invincible love and not a stingy, possessive love, or even an indifferent love.

At this moment, I need the New Christs on Earth, just as many Christs are in Heaven, in the stars, and throughout the universes, giving impulses to your inner steps as part of this humanity.

How can I reverse this chaos of the world without having My companions?

Who will walk by My side, taking with them the torch of Light and entering the deepest darkness of the world, no matter what happens?

When darkness is very great in your lives, it is when you must most ignite in My love.

How do you think you will overcome your own deserts?

How do you think you will reach the most remote places of the world to appease the suffering and sorrow of humanity?

I only ask that you continue to be part of My chain of Love, which is a universal, spiritual and divine chain.

Now that I have purified you through My Words, feel the strength and power of My Spirit. And, in this Ocean of Mercy that I show you today, through My Heart, go up to My boat so that your consciousnesses be part of My Mystical Body, so that, one day, your lives be part of My Eucharistic Body, precious instruments in the Hands of God that live the universe of virtues and that express the Gifts of the Father through service, an unconditional, permanent and tireless service.

I have entrusted to the Most Chaste Heart of Saint Joseph that, at this moment of synthesis, during the last days of May, and throughout the days to come, His Holy Heart will teach you to love humility, so that your missions may be established and fulfilled, just as it is written in the Sacred Books of Creation.

I wish that My apostles, throughout the whole world, be souls in consolation, souls in reparation for humanity and for the planet.

I have said to you at this moment all that I had thought of saying, but not with My Mind, but rather through My Heart, through the Rays of My Heart, I have given you the divine impulses that come as a flow of Graces to consecrate your more each day to My Wills and Principles.

Today I come to close, in the name of the Love of God and for the planetary situation, this cycle of impulses of the month of May by means of the Sacred Eucharistic Celebration.

But before that, I want the impulses of My Heart to be seen by the whole world through the Blessed Sacrament and, before beginning with the Eucharistic Celebration, I invite you to adore the Most Blessed Body of Christ for peace in the world, the end of wars, the end of conflicts, the end of indifference, the end of pride and, above all, the end of the evil that I come to transmute today for you and for your brothers and sisters so that your souls may be elevated in adoration of the Creator, the One that is in the Heavens and to Whom we owe honor and reverence, loyalty and Love, above all things.

Friar Elías del Sagrado Corazón de Jesús:

Our Lord has knelt down at this moment, so that we may adore the Blessed Sacrament in reparation of the Immaculate Heart of Mary and the Sacred Heart of Jesus.

We may bring here the Blessed Sacrament and the Altar.

In the name of the Father, the Son and the Holy Spirit. Amen.

Thus, I bless the world so that it may fully enter My adoring Heart, the Heart that eternally adores God.

Fiar Elías del Sagrado Corazón de Jesús:

Thus, we respond at this moment to the request of Our Lord, Jesus Christ, for all His intentions.

At the sound of the bell, we will begin this small adoration for the aspirations of Christ.

*We surrender to You, Lord of the Universe,
so that Your Grace may descend to Earth.*

*We surrender to You, Lord of the Universe,
so that Your Mercy may be fulfilled
in each one of us.*

*We surrender to You, Lord of the Universe,
so that Your supreme Light may descend to the planet
and all may be renewed, within and outside of us,
throughout all of humanity.*

*We adore You, Lord of the Universe,
We recognize You, we love You,
and accept to live Your Will.*

*On this day, of Your unfathomable Mercy,
may Your Design be fulfilled
In each one of us.*

*Make us small, humble,
Empty our hearts of all personal will.*

*May our souls, Lord of the Universe,
and the souls of all our brothers and sisters of the planet,
merge into the Source of Your Creation
to return to our origins.*

*At this moment, at the request of Christ, before the Most Blessed Sacrament of the Altar, everyone
will carry out their inner offering so that our consciousnesses may be filled with His Faith.*

In the name of the Father, the Son and the Holy Spirit. Amen.

*We praise You, Lord, and we bless You,
for by Your Holy Cross, You redeemed the world.
Amen.*

I am here to celebrate with you the Sacrament of Life. Of a life that surrendered for you, much more than it surrendered when this life was on the Cross so that the souls of all My companions might be a part of the redeeming Christic Legacy that I offer to you again today, in an unconditional and pure way.

Just as I gathered the twelve at the Cenacle, so that they might afterward be blessed by the Spirit of Pentecost, on the eve of this great day of the Holy Spirit for the whole world, and as it was in Emmaus, I come to share My Life with each one of you, holding the bread in thanksgiving and raising it to the Father for Him to convert it into My Body so that, in this end of cycle of the month of May, the souls, together with the Angels of Redemption, may reconfirm their inner vows to My Heart.

Thus, I break the bread again and I offer it to you, saying, "Take it and eat it, for this is My Body, that was surrendered for humanity and for the forgiveness of sins."

*We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
Amen.*

In the same way, before concluding this supper, which out of love I celebrate with you and for peace in the world, I take the Chalice in My Hands again, offering it to God for the redemption and forgiveness of souls so that the wine may be converted into My precious Blood and transubstantiated by the Angels of Redemption. Thus, I offer it to you again, saying, "Take it and drink of it, because this is the Chalice of My Blood, Blood of the New and Eternal Covenant, which was shed by Your Redeemer for the remission of all sins. Do it in remembrance of Me, because I am already returning."

*We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
Amen.*

Behold, companions, children of My Father, the Body and the Blood of Your Redeemer, sensitively wounded and outraged by the sins of the world, and which, in this third eucharistic trilogy, I invite you to repair.

In union to the Father, the Son and the Holy Spirit, I invite you to consummate this Consecration together with Me through the Prayer of the Our Father:

Our Father

May My Peace, which is the Peace of God, descend to Earth.

*"Lord, I am not worthy that you should enter under my roof,
But only say the Word, and I shall be healed.
Amen."*

Friar Elías del Sagrado Corazón de Jesús:

And we announce, in the name and in the Presence of Our Lord, Jesus Christ, the Spiritual Communion, the reparative communion today for all souls of the world, for all our brothers and sisters of the planet, through three bell sounds.

*"Celestial Father, Who leads all,
accept our offer of surrender to You,
guide us through the path of love, so that Your Will may be done.*

Amen."

We commune, Lord, with Your Sacred Heart, so that You may give us strength and bravery, hope and renewal.

Today, I leave, companions, with a task concluded. I invite you to continue in faith, for the victory of the Sacred Heart of Jesus.

Before bidding farewell, I invite each one of you to elevate your intentions toward My Heart. And by means of a song that is very special for Me, which represents the elevation of your consciousnesses, I invite you to sing one of the most important hymns of the Community of Figueira, called "Breath of the Spirit."

I thank you and you may go in Peace.

In the name of the Father, the Son and the Holy Spirit. Amen.
