**Daily Message of Mary, Rose of Peace, transmitted in the city of Fatima, Portugal to the visionary Friar Elías del Sagrado Corazón**

God has Mercy on those who persist on His Divine Path and those who aspire every day to be better in love, unconditionality and kindness.

God has Mercy and Compassion for those who follow Him in spite of tripping, of being wounded by themselves and of falling from the path.

God has immense Mercy on those who repent from their heart and those who give Him their life so He may accomplish His Will.

God has Mercy on those who try every day to practice, one by one, the Words with which He instructs, by inspiring the Sacred Hearts to pronounce them.

God has Mercy on those who recognize themselves as unworthy, imperfect and full of error.

God has Mercy on those who work every day to be humble and honest with themselves and with their brothers and sisters on the path.

God has great Mercy on those who consecrate themselves and those who have left a life of consecration, for His deep and ardent desire is that humanity respond to His Son, the Christ.

God has Mercy on those who fear feeling separated from Him, on some plane of consciousness or far from His Love.

God has Mercy on those who surrender to the end and those who want nothing more for themselves, but rather only live in His eternal Grace, in His divine Faith and in His powerful Love.

God has so much Mercy to give that the majority of His children forget to go and find the Water of Life from the non-material Fount of His Creation.

God waits every day for you to simply look up to Heaven and say: "Father, here am I, may Your eternal Will be done rather than mine. Make me in likeness to Your Son, free me from ties, from the faults that imprison me, so that only Your Peace and Your Truth abound."

Simply with just these words, the Kingdom of God will be descending to the Earth.

I thank you for responding to My call!

Who blesses and always consecrates you,

Your Mother Mary, Rose of Peace
