Daily Message of Mary, Rose of Peace, transmitted during the journey from Rome, Italy, to Madrid, Spain to the visionary Friar Elías del Sagrado Corazón

Let peace reign, for the Heart of God will triumph.

Let the good reign, for the Love of God is invincible.

Let light reign, for nothing will remain in darkness.

Let faith reign, for the children of God will remain on the path of return to My Son.

Let Mercy reign, for all will receive It.

Let healing reign, for hearts will be redeemed.

Let hope reign, for those who cry will be given relief.

Let charity reign, for unconditional service to God will make you strong.

Let unity reign, for all who live it will always be in Christ.

Let purity reign, for it will make the most simple worthy.

Let brotherhood reign, for, in this way, nobody will lose their mission.

Let all find the path toward Christ.

Let all achieve the Will of God.

Let those most surrendered know that they will receive the treasures of Heaven, for it is in the most humble where the great victory of God will be, until Christ returns to meet you.

Peace and Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
