Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Eighth day of the novena:

"For the manifestation of the Points of Light on the surface, such as the Light-Communities and the Monasteries that represent the presence of the Spiritual Hierarchy."

Dear children:

Through the Points of Light that the Spiritual Hierarchy founds on the surface, through the Light-Communities and the Monasteries, your Heavenly Mother establishes Her celestial government for these Points of Light to attract, as cosmic magnets, those who self-summoned in these times to experience the Divine Plan at the end of this cycle of the present humanity.

Through the celestial government of your Mother, the Spiritual Universe can act on the surface of this planet, because there is a counterpart that with great effort is taken forward by the Communities and the Monasteries, a Work that is planetary.

Therefore, dear children, the celestial government of your Mother, attracts towards the world a spiritual renewal and a conscious activation of the patterns of redemption and healing. This makes it possible, My children, that this planet, slowly but in a secure manner, may become salvageable.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
