Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

My dear children,

Today I leave in your hands the Sacred Reliquary of the Most Chaste Heart of Saint Joseph, as an offering of My Celestial Spouse and in gratitude for all that has been lovingly manifested up to today.

This Sacred Reliquary of Saint Joseph will be your instrument for the battle against human indifference and will be the impulse towards a continuous fraternity among beings. For in this Sacred Reliquary is the Divine Heart of Saint Joseph, honored by the angels of Heaven as a spiritual model because of His holiness, humility, and service.

May this Sacred Reliquary of Saint Joseph that I place today in your hands, motivate you to a continuous awakening to unconditional service, so that new souls embrace this proposal. Through the Most Chaste Heart, may you live in service to your fellow beings and the Kingdoms of Nature, building and regenerating all of humanity.

This Sacred Reliquary which Your Heavenly Mother presents to you today, is the fundamental relic that Saint Joseph constituted when He humbly entered the Kingdom of the Heavens. It was this Sacred Reliquary of the Heart of Saint Joseph that the Eternal Father received from His faithful server, after He was lifted up to the Heavens in soul and in spirit.

As a member of humanity, Saint Joseph brought to the universe a living example of love for knowledge and instruction. Saint Joseph was considered by Adonai to be the guardian of souls, and for the human race, this Sacred Reliquary represents the possibility of being in likeness to a transformed human example, as was the Most Chaste Heart of Saint Joseph.

This Sacred Reliquary that the universe presents to you today, is a spiritual symbol for souls that it is possible to experience human transformation and redemption on Earth.

May this Sacred Reliquary, lovingly offered by Saint Joseph to the Divine Father, from now on represent the symbol of persistence and faith in the face of every human and materialistic condition.

This Sacred Reliquary will remain spiritually placed and displayed in the spiritual counterpart of the House of the Pilgrim, so that all the souls of the world that will come to this place may through prayer find this sacred teraph that the Chaste Heart gives you today through the Immaculate Mother.

May this sacred teraph be worked with every 19th day of the month by the missionary and praying souls, so that in these times, there may be reparation for the grave outrages from the wars in the world, for the exploitation of children, for the women being sold on the streets, for the loneliness of the sick, for the death of the innocent, and for the harmful destruction of the Mineral, Plant, Animal, and Devic Kingdoms.

May this teraph be the bridge of communication of all with God; and in this way, He will not pour out Justice, but rather pure and infinite Mercy.

I thank you for responding to Saint Joseph, because these last four years of work have allowed this Grace that Your Heavenly Mother brings you today.

Who loves you, in union with the Love of Saint Joseph,

Your Mother Mary, Rose of Peace
