**Daily Message of Mary, Rose of Peace, transmitted in the Sacred House of Mary, Madre Paulista, city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Dear children,

On this day, God has more Mercy for the world on seeing that a great number of His servers strive and struggle tirelessly to fulfill the Plan of Love.

And so, My children, your Heavenly Mother receives permission to reach those places in the Work, where greater and more urgent help is needed.

The offering of each collaborator of the Plan builds and rebuilds what has already begun. It is in this way that the adherence of consciousnesses collaborates in the manifestation of that precious Plan of Salvation, of which many form part of.

So that this Plan of Salvation to be fulfilled in these times, the collaborators of the Plan must spiritually work twice as hard as they have worked, so as to not fall neither into the dimension of hypnotism nor into blindness.

Thus, children, your contribution at each stage of this Plan of Love allows the reinforcement of the protective barriers that separate souls from the abysses of perdition and constant illusion.

The path of the oldest collaborators of the Plan will be to place themselves on the step which corresponds to each one, and above all, to unite, no matter what happens, so that this Work, which is of all My serving children, may be accomplished.

Remain attentive, available and in constant giving. In this way, children, you will maintain the doors open to My divine intercession, and the Islands of Salvation will always be protected by the Celestial Universe and by all its angels.

It is time to extend your arms further into service and not to lower them, for the Lord needs you to be able to have an awareness and love for the true spiritual reality of these times.

Lastly, My children, remember that these Islands of Salvation are your homes of light, they are seedbeds for new lost souls to awaken.

Thus, if you live each stage of the Work with profound surrender and self-giving, I assure you that you will be far from human indifference, and above all, from illusion.

The Work must be accomplished until My Son returns, and you have been called for that great and challenging mission.

I thank you for responding to My call, to the call of the Lord.

Who blesses you, under the Light of the Holy Spirit,

Your Mother Mary, Rose of Peace
