Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children:

The times that are approaching will not be as the times of the past, and this will awaken in many consciousnesses the primary motive to seek God and His eternal Kingdom.

Humanity cannot live without the Heavenly Father, it would be like a small rebellious child who does not want to listen, being at the edge of great danger. Humanity is this way, blind in all it does and practices, without spiritual foundations that could nourish and awaken it to higher realities.

The sorrow of the Sacred Hearts is to see a humanity that lacks gratitude and love for all it has received. Therefore, the Lord, our God, will remove by surprise some things from the path so that some consciousnesses react and perceive that these are no longer times of normality or pleasure.

The human race has decided to distance itself from God, and from nature, which is loyal to higher Laws; this separation is shown during the planetary birth.

The Earth, as a consciousness, suffers every day what its children do without consciousness or wisdom.

All will be put in its place. Therefore, remember the words of My Son: "Stone will not remain upon stone." He wanted to say that within each soul and on the whole planet nothing will remain as before. Therefore, the prayer of the heart will be the torch that will illuminate the times of darkness that humanity is going through.

You will see things that you will not be able to believe, but that will be as real as they are true, that will be the reflection of the lack of love that humanity has for God.

Blessed are those who persevere and do not stop in the face of the events, because the Kingdom of God will be the ardent aspiration to find peace. Be bearers of My Peace and follow My steps, the time is approaching for all and you must be strengthened.

I thank you for responding to My call!

Who awakens you to the Truth of the times,

Your Mother Mary, Rose of Peace
