Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

Fifth day of the novena:

"For the Presence of Christ in our inner worlds and for being part of His Work of Mercy."

Dear children,

It is Mercy to be part of the Work of the Divine Messengers because the emergence of a new humanity is gestated through it. Therefore, in these times, to belong to the Work of God is also a supreme Grace that descends upon this humanity to fill it with new gifts, gifts that will generate in this race the birth and awakening of the New Christs.

Children, being present in Christ and Christ being present in your inner worlds means the possibility for the beloved King of the Universe to concretize His Plan of Redemption and Mercy in humanity.

The soul that is in Christ will be able to train itself as His apostle of love from time to time, and this will begin with the learning to love their fellow beings every day so that the new patterns of behavior can materialize in this civilization.

When incarnating and experiencing these patterns, humanity will draw near to the Divinity of Christ and this will help souls in the inner worlds prepare themselves to live the awaited Return of Christ.

The inner world of each being is precious and immaculate, in essence, it holds the divine life, a mystery that is going to be revealed to the souls that commune with the Lord in these times.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
