Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

First day of the Novena:

"For the opportunity of loving one another more as souls in service to God."

Dear children, love is everything for these times, because without love the work is hollow and cannot be accomplished.

Love is the fundamental matrix for life on the surface.

It is love, above all, that allows creatures to love one another, leaving behind what is superficial and apparent.

Love is a great healing and redeeming key because unconditional love unties the knots and bindings of consciousnesses.

Love revitalizes and grows within those who truly embrace it without prejudices.

It is love that impels souls to experience service and, afterwards, a surrender to God without conditions.

Love supersedes anger.

Love replaces pride.

Love is placed above all arrogance.

Love unifies and spiritually multiplies the flow of Grace.

Love nourishes the spirit and sensitizes the consciousness to all that is similar.

Love builds a spirit of service for the planet and its humanity.

It is love that, in these times, provides the opportunity for souls to love one another as God loves all His creatures.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
