Daily Message of Mary, Rose of Peace, transmitted during the journey from Curitiba, Paraná, to Porto Alegre, Rio Grande do Sul, Brazil to the visionary Friar Elías del Sagrado Corazón

Dear children,

I come here for a wounded world, and, in My hands, I carry the greatest cause of God, which is the fulfillment of His Plan of Love and Redemption on the surface.

I pray for this cherished Project and every day I relive the Words of the Creator, which He spoke to Me in His Kingdom:

"Dear Universal Mother, supreme and humble Mirror of Love, Your Father and Lord of the Universe asks that you tirelessly go forth to meet souls and the most simple because through them, I will be able to heal the planet and its humanity, I will repopulate the world with hundreds of suns, many more than I have created throughout the Universes.

I will make of each sun a prodigious emanation of My Source and, through them, I will pour out the Divine Codes of My Paternal Heart.

Go ahead, most sweet Lady of the Light, Governor of all the stars, fallen and non-fallen. Go ahead, appear and announce to the race that I deeply love them and that they are offending Me while setting themselves apart from the Universe of My Love.

Do everything in Your power, You have no boundaries, but rather thousands of angels and devas to reverse the lack of love and to transmute the indifference upon this planet.

You will always hold within Your Heart the unquenchable wisdom of My Words, because, through Your Grace, I will make of hearts luminous trophies of redemption, to place them at the foot of the celestial altar".

In My silence, children, I hear this proclamation, every day. And I will be able to be the Mother of humanity and of all the Earth, as long as you allow Me to be. Thus, My Immaculate Heart will triumph.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
