MESSAGE FOR THE VIGIL OF PRAYER IN THE CITY OF SANTA FE, ARGENTINA, TRANSMITTED BY THE MOST HOLY LADY OF FAITH TO THE VISIONARY FRIAR ELÍAS

My dears,

I come again to the world in order to remind you of the importance of living in the faith of the heart. Who professes their faith for these difficult and definitive times will be able to look to the supreme help of God the Father.

Dear children, today I come to Santa Fe in order to institute My Kingship of Faith and of Peace in all of the souls, those that need mercy and forgiveness in this cycle. My Beloved Son has sent Me with the hope that I, Your Sacred Mother of Heaven, may lead you to rehabilitate yourselves in the Spirit of the Faith of God.

Dear children, do you, in truth, know the power of the Faith of God? Today I will lovingly tell you: those souls that confirm their lives in God will never lose faith because faith is the flame and the favorite gift of Your Eternal Father.

I need you to enter into the Universe of the Faith of God because the Faith of God has enabled the creation of all of the forms of life and of evolution. The Faith of the Father has enabled the existence of Divine Love, the Faith of God has sown in all of the essences the promise of the coming of Christ. Christ sowed the Faith of God in all of the souls that sought forgiveness and peace.

My beloved children, great and infinite is the Faith of the Father. The Faith is the perfect gift that will always allow you to take the steps towards transformation and towards conversion.

Today My Heart ennobles itself for the faith that all of the dear children from Santa Fe and from Argentina have lovingly expressed to Me. As an answer to the letter that all of My children from Argentina have sent Me I say:

"Dear children, a new Argentina must be born through the Christic love that your hearts may be able to radiate and the perpetual prayer will be the path that will fulfill the promise so that My Beloved Son Jesus may be among you in some moment of His awaited return. Prepare the path for His arrival and it will begin in the daily union of your lives with His Pious and Merciful Most Sacred Heart" .

Beloved children of Santa Fe, My Maternal and Healing Light is poured today upon you with the hope that new groups of prayer be born so that they may be mirrors of love and of mercy in all of Argentina.

Dear children, I will come to this nation every time that God allows it as the Father has a precious project for you.

For all that you have given to God, I thank you!

Who blesses you always,

Your Mother Mary, Lady and Queen of the Most Holy Faith
