SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 92ND MARATHON OF THE DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Prostrate at My Feet, recognize the Sun of God that comes to assist you, the Sun of Redemption and of the Eucharist that comes to illuminate and dispel the darkness of the world.

Prostrate at My Feet, recognize the Legacy that you have received, in which you have always participated and which has always nourished your spirit.

Prostrate at my Feet, recognize the attributes, gifts and virtues that, in confidence, I have placed in each one of you, to make your whole life new so that your consciousnesses are redeemed and transformed.

Prostrate at the Feet of the Sun of God, recognize this planetary moment, the importance of the expression of the new apostles, of those who keep the torch of faith burning, regardless of the circumstances.

Today come and place yourselves at My Feet so that your lives may be blessed and reconsecrated so that your higher consciousnesses may be depositories of the Christic impulses that I bring you today.

In this perfect alliance with the Eucharistic Sun of God, you will be able to repair the Heart of Christ from all the offenses that He receives daily, from everything that is done to him, day and night, through outrages and indifference, omissions and faults.

Through the Eucharistic Sun of God, I come to withdraw you from the darkness of consciousness and from the superstition of the ego. I come to open the eyes of your souls so that you may see upon this interior horizon the Presence of the Son of God, who still hopes that each of your lives be the testimony of His Word and His Legacy.

I am bringing you this Sun of God again so that your paths be guided and receive what each one needs at this moment, far from your own desires and aspirations.

This is the Sun of God that illuminates the end of times, but also reconstructs the spiritual life of those who prostrate at His Feet to recognize one God, one universal, cosmic and internal Presence to participate in this perpetual communion with the Sacred Heart of Jesus, who at this time offers himself again in sacrifice for souls, and especially for the most sinful, for nations, for humanity.

May the spiritual treasures that I have given you throughout time not be lost, not become faded nor be erased from your hearts.

Make each of My Words become a part of you and may your lives be converted one day into the flow of My Fountain of Mercy and Pity. Because today some are distracted by other paths, they set

their minds on other paths; and thus they darken the heart, losing true attunement with Me, with My Will.

This is the time when everyone must face their own Armageddon, they must know about themselves what they have never seen, until now, because it is a veil that is removed from their eyes so that they can see and recognize this moment.

Today, I accept the sacrifices of those who persist. Today, I recognize the courage of those who transform and those who never stop moving forward, despite everything. It is there where the Work of Redemption and Mercy take place internally. It is in that constancy and in that faith, where the sacred seeds of the Light give their first sprouts to one day bear the fruits that I need to prepare My Return, through you.

Today, I see, with eyes of compassion, the mistakes that some of my companions made due to recklessness, lack of attention, lack of generosity and lack of consciousness. But today I do not come here to point out those errors, but to remind you of the Commandments that, in essence, you must deepen into to understand their hidden meaning, a meaning that will lead you to live in the Universal Laws, in these critical times, in which many offerings will be presented to you as if they were better offers than those I give you.

Do you understand what this means in this planetary cycle?

I come to again anoint, with My Spirit, those who said yes to Me and who, beyond themselves, try to understand My Will and My Work. The Redeemer, your Lord, will continue to take firm steps towards the Purpose and He will take with Him all those who, divested of themselves, will follow His steps in the same way to find the goal, the inner goal.

This is a time when you must be aware that you will fight against that inner duality. Duality that will show you with such force what you do not know, with an opposite force and parallel to the force and power that I give you with My Word and My Presence.

Is this a battle? Yes, it is a spiritual battle. It is the moment when, before yourselves, you will define the next cycle, under the Gaze of God. And that cycle, which will be defined, will indicate the possibility or not that your Master may soon return to the world. But remember, always remember, that I do not depend on anyone to return to this humanity, as it is written.

Your souls must bear in mind, in your consciousness, that you may or may not participate in this event of the Return of Christ. Because for this Return to be possible, in a certain proportion, first My Divinity, My Spirit, must dwell in you so that later I can return to the world in its most difficult and painful moment.

I want you to know, companions, that you are before the Book of Holy Scripture, you are before the chapter and the sign of this great planetary moment when the last Christs of the end of times will be the ones who will mark the next destiny. And that goes beyond their consciousnesses, their ideals or even their opinions.

I want you to know that being with Me is not something momentary, but rather to be under strict fidelity to divine obedience and to the supreme Will. But know that there are no other consciousnesses or other brothers and sisters who can do so, who can prepare My Return to the hearts of humankind. If first, this does not happen, in this density and planetary chaos, how could I

come here into the world, through the power and authority that God has given Me, from the beginning and for all eternity?

I need your inner dwellings to be My dwellings. And still, I am waiting for this. Examen your consciousnesses, not to feel intimidated or judge yourselves, but to grow inwardly in offering and in service.

Because in the next few months you will see unimaginable things, and you, as My companions, who claim to be My companions, have to be prepared for what will come, and these are no longer only words, but will be facts, they will be events throughout the world.

In these last years, you have learned to love me and are still doing so. You have learned to trust in these, My Apparitions, and you have learned to drink from the Source of My Word through the Messages, but I know that at some point you doubted who is really speaking to you.

I do not come here only for you, I come here for a Higher Purpose. That same Purpose that My Mother, the Virgin Mary, has already presented in other times and in other humanities so that the greatest number of souls and hearts reach the life of the spirit and the union with the Triune Consciousness.

Today I do not come to make you see your miseries, but I come to make you see what is really happening so that you recognize and accept it in humility and in deep gratitude.

I will no longer stop for anyone. Your planet is on fire.

Who will cross the thresholds of hell with Me to interrupt the loss of hundreds of consecrated and lay souls?

Who will go with Me to the deepest depths of the abyss to ignite their own Christic light and thus be able to overcome in Love the darkness, just as I did through each drop of My Blood, and, even more, up to the moment of My surrender on the Cross?

I am not here to place you under an unknown and unbearable pressure.

In the name of Love and Mercy, which you still deeply ignore, I come to place you before a reality that it is time to accept and live because many of you came to be My apostles. And this is not an ideology or a theory, much less a feeling or a passing emotion, it is an undeniable commitment that your spirits have made in the universe and that commitment for each one has a time, it has a duration that only God knows.

When souls seek other teachings that are not Mine; think about how I may feel in the face of all that I have lovingly and confidently given you, year after year, day after day, week after week and month after month.

You cannot lose the objective of your Purpose, you cannot let yourselves be deceived, nor can you lie. You are before the King of the Universe, not before a judge, but before the sacrificed Heart of the Lamb of God that was immolated, to save you, until the end of time.

Remember that your path of conversion and redemption lies in the Sacraments and not in other books. May your true spirituality be based on the faith of Christianity and the absolute confidence

that you can be fulfilling the Will of God.

As you will be able to perceive, companions, I come with a warning Message, but one of deep compassion and solidarity with those who become lost day by day on the path and stop seeing, in their own paths, the Footprints of the Master.

May this Marathon be one more step towards definition and, above all, a step towards being able to value and recognize what was received with so much sacrifice and effort, so that nothing is in vain.

I bless you, in this time of internal and planetary crisis. Know that, beyond suffering and pain, there is the Light of the Living Christ, of the One who died for you so that you could have life in Me, and thus have life in the Eternal Father.

May the prayers of Mercy in this meeting not only be repeated words, but affirmations felt deep in the heart.

I thank you for being courageous and for daring to listen to me in the spirit of faith.

In the name of the Father, the Son and the Holy Spirit. Amen.
