Weekly Message of the Most Holy and Pious Virgin Mary, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Sister Lucía

About the message:

Before Mary came, before us emerged images of the Passion of Christ, of Mary accompanying Jesus, and lastly, an image emerged from the moment when Jesus was taken down from the Cross and placed in the arms of Mary. Mary stood up with Jesus in Her arms and came toward us; this is how She presented Herself in the room where we were praying. She continued for some time, then disappeared and appeared again as Mother of the Divine Conception of the Trinity and transmitted Her Message.

As Mother of the Divine Piety, today I bring your small hearts this sign, so that you may experience the Gift of Piety in your hearts.

My children, Piety returned to the world at the moment when My Son Jesus was taken down from the Cross and My arms felt the weight of His Body, which was all a Most Sacred Wound. In My Chest I did not feel pain, but rather the Love that was shed in the Blood of My Son, the Son that was given to Me by God and Who in that moment returned to the Kingdom of His Father.

Piety was born as a doorway to Mercy. The understanding of My Heart and the Pity I felt for all the souls of the world made it possible for Sacred Mercy to continue to be poured out upon the world.

With Jesus in My Arms, I Finally and Definitely Included The Love of God for His Creatures, and In the Scourged and Dead Body of Jesus

Piety, beloved children, is born of Mercy and allows it to expand over the world. So that the Earth may experience some more time of Mercy, it is necessary that hearts know how to experience Piety.

Today I tell you, with the purest Love of My Heart, that Piety emerges from the understanding of the Plan of infinite Love that Our Lord God has for all this humanity.

Dear children, simply love one another, understand the trials of life without judgment, be pious as to accompany the painful transition of each of your brothers and sisters.

In this time of purification, only love will sustain you on this path that leads you to the Kingdom of God, and the search for love will show you the weaknesses of your brothers and sisters so they may be seen with eyes of Piety.

I aspire that My little soldiers be, in the small things of life, faithful to this God that is so good, that always guides them. That faithfulness, My children, is in being what God expects: loving, merciful, pious, understanding, welcoming, helpful.

A soldier of My army fights through love; their weapon is prayer and their field of battle is daily co-existence with their brothers and sisters, because the world no longer knows how to love.

My gaze travels the Earth from the Heavens, and I see that Piety dies day after day in the hearts of My children. For this reason, to those who listen to Me, I ask that out of love for My Heart, you rescue the Piety in the world, living it among you. Cause love to be reborn, by living it. Allow the time of Mercy to be eternal, even during the time of Justice, and that is achieved by being merciful.

Continue being the sweet breath of My Heart, so that I may find refuge in the little hearts of My children, that together with Me, are tireless.

Do not give up, My children, from living love. Do not seek to be perfect in order to experience it; live it in your imperfection, for I descend from the Heavens to tell you that this is possible and that it will be with those who listen to My Voice today, in all parts of the world, that God will accomplish His Plan and manifest His Eternal Glory on Earth.

I love you with all of My Heart of a Mother and I thank you for persisting in responding to My call.

Mary, Mother of the Divine Conception of the Trinity
