Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

I come to this immaculate house to bring relief from the inner suffering which the world and the voices of some of My children have generated.

I come to renew hope, and above all, to strengthen the filiation with God, so that My apostles in redemption feel that the Love of God is in all servers.

I come to teach you to experience what it is to be denied, just as My Son experienced it after having given so many Graces.

I come to remedy and to heal, in the depths of your spirits, what has already taken place and has generated discomfort.

As the Mother of relief and consolation, I come to testify to the Love of Christ in your hearts and to fulfill within you the part of the Purpose that is still to be accomplished.

I come to teach you to love the error of others and not to judge it, as the majority of humanity does, both religious and non-religious, which offends the Heart of the Father.

I come, dear children, to help you go through the Calvary of the end of times and that you learn of unknown things you have still not experienced.

I come to give you the strength of My Heart and the Love of My Divine Spirit, because united with My Consciousness, we will transcend the abysses of the Earth and the Greater Plan will be fulfilled.

On this sacred day, I come to give you My Peace.

I thank you for responding to My call!

Who fills you with the Spirit of God,

Your Mother Mary, Rose of Peace
