Daily Message of Mary, Rose of Peace, transmitted on the Eagle of Light bus during the journey from the Marian Center of Aurora, Paysandú, Uruguay, to Porto Alegre, Rio Grande do Sul, Brazil to the visionary Friar Elías del Sagrado Corazón

Dear children,

In the face of any situation or circumstance, may the presence of Divine Love be among you so that, in this way, all obstacles can be overcome.

Through Love, you will be able to recognize the value and the significance of all things and all the consciousnesses that surround you.

Let nothing and no one be a stone or a thorn on your path; learn from each moment as if it were the last and thus, you will grow in truth.

Honesty goes hand in hand with true Love. I invite you to be honest in love, in action, in service and in charity, and not just appear to be honest.

Set aside the authority that many of you believe you have and be humble; be the last in line, so that those most in need are able to move up, for among them there could be the last and New Christ that will open the door of Heaven to you.

In order to be able to perceive these realities, which are not mental or intellectual, you must be united with the essence of the love of the heart. In this way, you will learn every day to love your fellow beings without conveniences or personal merits.

Be always in the source of Love, so that you may also recognize the treasures that We have placed around you; and often, you miss the chance to contemplate the treasure that is the sibling soul, the treasure that is the other consciousness that came into your life to accompany you and guide you in some cases.

To enter through the correct door of Love rather than through the door of convenience, you, My children, must perceive everything with more reverence and devotion; because the devout soul is one that recognizes Christ in its fellow beings, being able to set aside the habit of criticism and judgment.

Be meek and you will naturally recognize the Works of God that are expressed in all consciousnesses.

Do not miss the opportunity of taking the correct step towards the Light. Love the Law of the Hierarchy and defend it from yourselves; thus, My Plans will also be accomplished.

I thank you for responding to My call!

Who wakes you up to a greater consciousness,

Your Mother Mary, Rose of Peace
