DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF WEED, CALIFORNIA, UNITED STATES TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

On this day, may the greatest sacrifice be lived by each heart as the best offer of your small lives in the Hands of the Creator; it will be through this offer that the doors of Mercy for the planet will remain open for humanity.

This is why, children, your Heavenly Mother converts these great surrenders into an opportunity to save many souls and make them worthy and happy before the Celestial Father.

It is the sacrifice that My apostles, the apostles of the Church of My Son, must live in these times, as a moment of strengthening within the living of the Plan of God and its divine realization.

On this day, I approach you as the Mother of Silence so that the world can be silent and thus listen to everything that is descending from the Universe of God, so that souls may awaken to the consciousness of their mission and the opportunity to fully serve the Creator Father.

It will be this Silence, the One that will always put things in their place and everything in its correct order, that will assist the divine manifestation to progress.

The sacred Silence of your Mother is the armor of defense against influences of distraction and disharmony imposed by My adversary.

I invite you to protect yourselves within this inner Silence of your Heavenly Mother so that you may be attentive to the changes that are approaching. Thus, seeking this connection with the Silence of God will allow other consciousnesses to awaken from the sleep in which they have been placed.

The Divine Silence will make you strong in faith and invincible in love because it is the master key that tears down the fantasies of My eternal rival.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
