DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE SACRED SKY NUCLEUS, BELO HORIZONTE, MINAS GERAIS, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

In the name of the Love of My Son, I gather you once again to show the world that it is possible to live the Divine Will.

This is how, dear children, My Immaculate Heart draws near to bring you the infinite Gratitude of God because truly, My servant children, you are carrying the Will of God forward.

This is why today I come from Heaven to announce this Message to you, so that in your lives and in the lives of your fellow beings, the sacred Purpose of God may be fulfilled.

Here, dear children, there is a simple strand of prayer, devotion and charity; and I wish that the impulse of unity and love, which you must always internally gestate amongst you, may radiate to the whole world.

You are a sacred and ancient people who came to the world to realize the manifestation of the Plan of God through selfless service and charity.

Now, your sacred task, dear children, will be the service for souls through the formation of seven groups of prayer, which spiritually represent the Seven Gifts of the Holy Spirit and, through this task that you will undertake, I can work for the divine protection of the whole of Brazil.

With this, dear children, I would like to invite you to spread the Work of the Divine Messengers in this region and in the whole state of Minas Gerais.

I especially wish, dear children, that the Mother of the Divine Conception of the Trinity and the Glorified Christ may be known in this place and throughout Brazil.

It will be through the living devotion of your hearts that I will be able to protect the destiny of this nation, My beloved nation.

Today, I came to thank you and renew the commitment that you will help Me in awakening consciences, which through prayer will be able to enter the spiritual path and Christic life.

For all that you have manifested for the Plan of the Father, I thank you and, today, I leave engraved in the spirit of this house, My beloved house, the following prayer to the Sacred Sky,

Prayer to the Sacred Sky

For the protection of the task of all servers of the Sacred Sky Nucleus of Belo Horizonte

Sacred Sky of God,
which is manifested in the sublime heavenly vault.

Oh, Sacred Sky of God!
Descend to this human reality,
sanctify our lives and
light the flame of our hearts all the time.

Oh, Sacred Sky of God!
Summon all servers of the Greater Good to serve;
may charity be the torch of the peacemakers,
may devotion be the light that illuminates all paths.

Oh, Sacred Sky of God!
May Your Celestial Kingdom descend upon us so that
the Plan may triumph.

Amen.

I thank you for responding to My call!

Who blesses you and loves you always,

Your Mother Mary, Rose of Peace
