Daily message of Mary, Rose of Peace, transmitted in the Mexico City, Mexico, to the visionary Friar Elías del Sagrado Corazón

Dear and beloved children of Mexico, Central America, the Caribbean and the United States:

In the name of Peace, today Our Sacred Hearts descend, opening the door of the hearts that were once closed to Our pure Love.

That is how, dear children, your Celestial Mother, Guadalupana, presents Herself again here in Mexico, to remind you of your spiritual filiation with God, and, especially, with all the redemptive Work of My Son.

Today, I wish that your hearts may shine before My maternal Light, which guides you in silence, every day, towards the Purpose of God.

This is why, finally, My children, I am among you to bring to this nation the light of My Grace and My Love.

Dear children, today your Celestial Mother descended from Tepeyac, to bring to humanity the reminder that it must reincarnate the purity of heart so that the "powerful" nations of the world do not provoke the Wrath of God.

Wanting to bring Peace to the world, I invite you, My beloved children, to persevere in Christ, in this way you will collaborate so that nothing becomes lost, not even the nations that compromise themselves every day with the forces of evil and chaos.

But before the time of the great purification is fulfilled, we come to open the doors of your hearts so that many more souls may enter the mystery of the Love of God through purity, service and charity, for the suffering planet.

Dear children, your Celestial Mother approaches your human reality so that you, in faith, may again find the purity that you experienced in other times, and radiated to the Kingdoms of Nature and to the whole universe.

This is how, My children, through experiencing your original purity, the Eternal Father and all His angels will have permission for many things, which are already lost in the abysses of humanity and of the consciousness, to be rescued.

I again come to Mexico to consecrate it once more to My maternal Immaculate Heart, for, in this way, I will be able to reach, through your hearts, the most chaotic situations that this beloved planet experiences.

Today, I bring you an impulse to the consciousness, for you to accept the Call of God that resonates for this final time throughout all of humanity.

Beyond yourselves, spread the holy Word of the Hierarchy, for those most asleep and distracted, to be touched by My maternal Love.

I thank you for being the proclaimers of the Message from Heaven.

I thank you, children of Mexico, because you opened your arms to receive us in simplicity and love.

I thank you for responding to My call!

Who loves you eternally,

Your Mother Mary, Rose of Peace
