Message for the apparition of the Virgin Mary, Queen of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay to the visionary Sister Lucía

Enter into My Peace to discover the truths of Heaven and to know the most ancient mysteries of the heart.

Enter into My Peace, so that your heart may become quiet and find a secure path to follow towards My Son.

Enter into My Peace, so that your consciousness may understand My Presence and your heart recognize My Spirit.

Enter into My Peace, so that your souls may draw near, and your spirits may live united to your heart, helping you to consolidate the steps of consciousness.

Enter into My Peace, because only within it you will know God and His Celestial Kingdom.

Enter into My Peace, because within it you will be free from all tribulations of the world, and your heart will not get involved with what lives outside My Heart.

Enter into My Peace to be under My Mantle and, from there, to be the intercessor of the souls most in need.

Enter into My Peace to know silence. Enter into silence to know My Peace.

Enter into My Peace, the one that My Presence deposits in the hearts and radiates throughout the world.

To be in My Peace, you must be in My Presence and, to attract My Presence, you must be in perpetual prayer.

Be in My Peace by living in prayer. Radiate My Peace by living in prayer. Be My Peace by being the prayer.

My children, to be in peace is a great need in the world, because peace has died in the hearts of human beings and I count on the fingers of My hands those of My Children who today can experience eternal peace, because they experience eternal prayer.

Therefore, pray, pray a lot. Dissolve in prayer the afflictions of your Heart and the afflictions of the world. Remove from your heart the pain through the joy of living in God and fulfilling His Divine Will.

Place at my feet, day by day, that which hinders you from experiencing peace, and through prayer, strengthen this peace in the world and radiate peace to the consciousnesses.

No longer raise conflicts, criticisms, judgments; do not unite with your neighbor to feed evil, to judge, to destroy, to attract discord among the hearts.

Cut the evil impulses that live in the human cells, do not feed the mundane forces that live in the hearts, but rather, as Marian Soldiers, experience the first battle, which is within yourselves, to remove evil and implant peace.

Pray, My dear ones, pray a lot, because the world needs it.

Do not allow yourselves to emit a word that does not build Light, and if the will to do so is greater than the power of peace in your hearts, be silent, be silent and enter into prayer.

It is time to create with consciousness, it is time to experience love among creatures. I invite you to dissolve in My Heart all that you have been until this moment, to experience My universal Purpose of Peace.

As in Fatima, I awaken the hearts of the world so that they may be reborn in My Eternal Peace.

I thank you for responding to My call.

Mary, Mother and Queen of Peace
