Weekly Message of Mary, Queen of Peace, transmitted in the Fortín de Santa Rosa, Canelones, Uruguay, to the visionary Sister Lucía

Enter into My Heart of Light and, in the silence, I will show you the answers that you so seek.

Unite with My Immaculate Heart, and I will carry you into a state of peace that is still unknown to you.

Come to Me in prayer, and I will have you know the powers of a Verb that redeems souls and restores the world.

Through communion with My Son Jesus, allow the sacred Body of Christ to transform your being and your existence, transform the course of your life and re-write your story on Earth and in the Universe of God.

Let your confession to Christ, My child, cleanse your heart, draw forgiveness to the world and, in your being, place the infinite Mercy that the Sacred Heart brings to the Earth.

In the Sacraments find the strength of your life, live in the Sacraments and by the Sacraments. Transform your daily life into a communion with the Divine so that the Sacred may return to this world.

My children, I want to teach you to always be in the Heart of God, I want to show you the path to transformation, I want to lead you to the Sacred, to the Divine and to the True, but I need you all to listen to My call and practice My Words.

Of what use will it be to you to just hear My Voice if you do not follow the instructions I bring?

I have spoken to the world for a long time; from the Heavens, I bring keys for salvation and for an eternal coming together with Christ, but My children do not hear Me, they do not go deeper into My call and do not find the strength in My Heart to respond to the sacred Will of God.

Seek the Words I have pronounced over the years, over the centuries, and you will be able to perceive in your heart that if you fulfill what I ask of you, your lives would not be the same, and the difficulties and miseries of the world would also not be the same.

It is time, My dear ones, for each one to truly accomplish your part, to give your response to the Highest, aware that you are a part of a humanity that is lost in the illusions of the world.

Raise your arms to the Highest and ask for the help of God to transform what you do not reach on your own, but do not wait for God to transform you on His own, but rather take the steps toward transformation.

No longer say, My children, that you do not know how to do it, because for a year, My Heart daily dictated what steps you are to take, and now, in infinite Mercy, My Son descends to the Earth to daily dictate precious instructions on how to achieve the Kingdom of the Heavens.

I need to count on My soldiers, I have need of your steps on the path of My Son, because, My children, the whole world has need of this transformation, and those who say 'yes' and walk, will do so for all.

I thank you for always being with Me.

I love you,

Mary, Mother and Queen of Peace
