Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children:

While all the events precipitate in the world and upon the nations, I invite you to pray ever more profoundly with the heart.

I invite you to be representatives of the peace humanity needs so much. With your brave hearts we will change this planet, and the oppressed will receive the opportunity to be rapidly in freedom.

I come with My sword of Light to liberate from errors all those who are submerged in it. I come to show My children that there is a true way out to free oneself from the self.

It is time for the soldiers of Christ to carry on their lips the Word of salvation and consolation that many souls await.

Therefore, children, I come to encourage you to experience the service for the Plan, so that your consciences may always be ready to know how to respond to the call of Heaven.

In this way, My dear children, I prepare you consciously so that you will know how to open the doors at the moment of experiencing your redemption.

At this unknown moment that is just beginning, may the path of service and of peace be the keynote of your lives, because the planet needs it and all of humanity must learn to serve the Plan of God.

At this acute hour of the planet, may all the suns of heart shine and show this human civilization that it is time to look to God and to serve Him with a humble readiness, so that, in this way, the majority is not left behind.

The life of the world can be tempting, but know that those who love the Plan of God find all the resources to be able to experience it and thus, to form the basis of the New Humanity.

I thank you for responding to My call!

Who gives you the impulse to serve,

Your Mother Mary, Rose of Peace
