Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children:

When the requests of your Celestial Mother are fulfilled in humanity, it is a sign that the Will of the Eternal Father is also fulfilled.

In this way, and fulfilling My requests of pilgrimage through the world, I draw you closer to the Law so that you may experience it, feel and fulfill it, just as it is written in the universe.

To experience this Will, the consciousnesses go through many tests that, once overcome, can confirm that this Divine Will was not that far away.

Every day, I also teach you through My request to contemplate the Purpose of God in order not to forget it and, thus, to find, through it, the necessary food that will comfort you and will cause you to elevate your souls to reach sacred eternity.

I would like all My beloved children to learn with simplicity all these things, so they may grow in spirit and not in personality.

To love the Divine Will and to have faith in it is the great step of all the apostles of My son, because in them must be drawn the precious project of redemption and peace, that is waiting for the souls that are not able to see God through their own means.

In each fulfilled stage of the requests of your Celestial Mother remember, dear children, that the Lord, in His Glory and Presence, will be closer to all.

I thank you for responding to My call!

Who accompanies you,

Your Mother Mary, Rose of Peace
