MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA TO THE VISIONARY SISTER LUCÍA DE JESÚS

The era of Faith has come, the era in which hearts will be tested by the Justice of God. You will thus learn to have trust in the Creator and will have knowledge of the essence of Divine Obedience, the one that responds to higher designs, beyond understanding or mental and inner adherence to everything that happens all around.

Those who open the eyes of the spirit and of the heart will be able to see the intention of God, held in the core of the events, and they will understand what no one will be able to understand; they will find Wisdom and Divine Justice in what to human eyes will be injustice and a curse.

The era of faith has come, because My adversary will attack hearts through doubt and through incomprehension. Many will search outside of themselves in phenomena, for confirmations they can only find within themselves.

The unwavering peace in the heart of My children will be the only confirmation that the Presence of God in His Messengers is real. So, My beloved ones, what I build inside each of you is purely spiritual and must be consolidated through the definitive transformation of your lives.

What is built in the human heart through phenomena can be destroyed as easily and quickly as their manifestation. But what I build within My soldiers has a clear purpose, which shall be manifested to the eyes of the world in the end times.

The first sign will be the confirmation of My words in the events to come. And the most important sign, both to humankind and to God, will be the faith in the hearts of My children and the peace that will allow them to guide those who are lost.

The clarity of purpose will allow you to see the events from a higher point of view, and you will not get involved with what is happening in the world, but will know that all this is happening for a greater purpose, which is the purification of the planet and the emergence of a new race.

This race that will emerge, My beloved ones, will be born from the seed I caused to sprout in your hearts, and will not be made up of new human beings that will suddenly appear. It will be you and your children, renewed by My Spirit of Love and by the Return of Christ the Redeemer, that will shape the new world.

And in this way, the Most Sacred Project of God will be fulfilled, in which His creatures will be capable of defeating the darkness that dwells within and outside of themselves, and through love, will bring about the triumph of the Spirit of God in the world and the Christic purpose of this Creation.

My beloved ones, keep within yourselves My words, study them and let them impregnate your consciousnesses, because they will bring the certainty of the triumph of God in the human heart, and it will be with these Words in your consciousness that you will manage to live a full state of peace

in the times that are coming and in the times you are already experiencing.

Be firm in the life of prayer and do not allow the demands of the world to overcome the imperative need of strengthening yourselves inwardly. With wisdom, give priority to the things of God; in this way, you will be journeying on safe paths that lead to the Lord.

I love you and eternally thank you for responding to My call.

Let no doubt defeat the faith in your hearts. Let no concern cause you to lose peace.

I bless you, under the Peacemaking Spirit of God.

Your Mother Mary, Rose of Peace
