Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay to the visionary Friar Elías del Sagrado Corazón

The inexplicable cycle of peace that I have already spoken about to you, dear children, began on the last eighth of August, and new opportunities for redemption will be opening up for the consciousnesses that most need this.

In this planetary hour, some souls, among all those that exist, will have the opportunity of receiving a special Grace that will lighten their sins and their faults.

That hour which I refer to is the hour in which the Mercy of My Son will go through a great universal expansion that will draw to itself the most miserable in spirit so they may achieve redemption and be re-inserted upon the path of spiritual evolution.

It is for this reason, My children, that your Heavenly Mother works untiringly so that the greatest number of souls possible recognize the only Kingdom of God and so they draw closer to it as the self-summoned of the Plan.

I ask that, in the same way that you became aware of your awakening, that you have enough love for those souls that will come to straighten their paths toward the Light after having been lost in this world.

Thus, once again, My Son goes in search of those who, for various reasons and circumstances, remained behind, imprisoned in the hands of My adversary.

Now that this cycle of Peace and Grace for granting many things has come, children, I invite you to follow the steps of the last global events that will place humanity upon its axis and consciousness, after all that it has done, deviating throughout these times.

I ask you for that great spirit of peacefulness in order to be able to follow along with your purification and the final purification of your fellow beings, for if you do this, My dear children, it will be the test that you have understood and knew how to live in the Love of God in these times.

I thank you, now and always, for responding to My call!

Who blesses you in Christ,

Your Mother Mary, Rose of Peace
