MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF RIO DE JANEIRO, BRAZIL, TRANSMITTED BY MARY, MOTHER AND QUEEN OF PEACE, TO THE VISIONARY SISTER LUCÍA DE JESÚS

While the world suffers the consequences of its own actions, I come to bring Mercy for those who open their hearts.

While many are blind, My children, I come to open the eyes of those who can still receive a new opportunity and who accept it.

My Heart comes to announce the last time for salvation to the world. There are still possibilities for those who do not know God, but it is very little, dear children, that humanity generates as merits for the rescue of this world.

The reality has still not touched your lives, just your minds. Many know about the times that have come, but almost none of you truly understand what is happening with humanity, with the Kingdoms of Nature, and with the planet.

One who knows, in truth, and understands My Words and My intentions, makes all necessary efforts to be with Me; they do not stop to think before setting everything aside to enter into prayer when the time announces that the hour for prayer has come.

I no longer know what to say to you, My beloveds, or how to make you feel what My Heart feels on coming to this world.

I seek souls that are in true prayer rather than just verbal, souls that pray with the spirit and with the heart, to balance the indifference of this world to God.

False gods permanently emerge in this world. Modernity and mundane pleasures are becoming the goal for worship of humankind. All that will perish at the first breath of Divine Justice; there will be nothing consolidated left in the consciousness of a large part of humanity.

I have announced this in all ways, I have warned you throughout the centuries, but who heard My voice? Who definitely changed the goal of their life? Who renounced the illusions of this world to give real importance to what they would find in the next?

My beloveds, this is the world to which souls come to define their evolution. Many have not perceived they are faced with the last call and that the trumpets are sounding, announcing the end time. The Voice of the Creator resounds through His angels and archangels, that shout to a sleeping humanity: Wake up! Wake up!

What a deep sleep has overwhelmed humanity! Where are the armies of the Lord?

To those who listen to Me, I cry out: go into prayer! Go into perpetual prayer, because the whole world has need of it. Teach your children to pray, teach them the real values they must cultivate in their little souls. Do not let the children and youths become lost. This is their last opportunity for

redemption; they will no longer come once again to the world. This school is at the end of its cycle; a new time is announced.

Those who do not listen to the last call will miss the boat and will get lost in the sea of illusions of the world.

Listen to My voice cry out.

To those who respond to My call, I ask that you never tire, that you persist in prayer, service, the giving of self, and in love. Be fraternal, be pure of heart. Generate merits for the balance of this world.

I thank you for listening to My call and for coming to meet with My Immaculate Heart.

It is time to disseminate peace in the world.

I bless you.

Mary, Mother and Queen of Peace
