Daily Message of Mary, Rose of Peace, transmitted in the Eagle of Light bus during the journey from the city of Porto Alegre, Rio Grande do Sul, Brazil, to the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

I am that green Light of healing called Aurora, which is born from within the Earth.

I am the Source of restoring Love that is born of the universe for all of humanity.

I am that liberating Ray of Aurora that breaks the chains of inertia and breaks all the ties of evil.

I am that Sun that is born at the dawn of each being.

I am the Shield against all adversity.

I am the one who steps with Her feet on that which causes pain and suffering.

I am that incandescent Flame of Aurora that liberates consciousnesses from the abysses and raises them toward the House of the Father. From Me arises healing and liberation for souls, when the errors of the past are burned by the green fire of Aurora.

May hearts open the doors of their inner self so that the codes of the past may be changed by the powerful Light of Aurora.

May the fearful yield, let the unjust be redeemed, let all the Light of Aurora shine upon those who have been redeemed. In truth I tell you, you do not know the power of Aurora, but it is close to being revealed; meanwhile, invoke its powerful redeeming flow.

May souls fly like birds to the abodes of the pure so that, in the Presence of the Solar Angel, Jesus Christ, the Plan may be re-established in those that lost the Grace of awakening.

May the consistent see Aurora shining above the darkness of these times.

May the sailors and disciples continue to row in the infinite sea of love so that all humanity may achieve eternal peace.

I am that green and fleeting Aurora that encircles the universe, leaving the sign of the new time for those who wait for the New Humanity.

I thank you for responding to My call!

Under the Light of the new and awaited Aurora,

Your Mother Mary, Rose of Peace and Mother of the Divine Conception of the Trinity
