MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TRANSMITTED BY THE MOST HOLY QUEEN OF HEAVEN, THE MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY TO THE VISIONARY SISTER LUCÍA

Open your eyes to see the Sun that now is born in your little lives, for the one who is able to see and feel that Sun of the new time will be healed by the Divine Light that comes and redeems through its rays of profound Mercy.

My dear children, these are no longer times of suffering for those who have found the Divine Mercy of My Son Jesus. These are no longer times of lamentation for those who in their spirits celebrate so many years of Graces received.

On this day, I come to deepen in your hearts, souls and essences, the contact with Me, so that you may feel this union within your consciousnesses, as you did not feel before. In this way, I will dispel all doubts and all the pain of those who were unable to draw closer to My Heart. The only thing I need is for you to truly open up.

At this moment, in which My Presence once again withdraws from the world, I want to leave engraved in your hearts that the Light of My Sun is eternal and will never go out. Thus, do not rest and do not give up if for some reason you should experience times of tribulation.

In the face of difficulties in your life, seek that healing Sun that I allowed to be born in your essences, so that it may light up your paths and, further, light up the paths of those who are lost in the darkness of their own ignorance.

With profound joy in My Divine Heart, I approach My beloved children, and within your essences, I find the divine codes that so long ago I placed there, so that in current times and in the future, you could accomplish the Mission of Love that God entrusted to you.

My beloveds, when My Presence is no longer in your hearts in such a resounding way as it is today and in the end times, know that it is because you will already be prepared to experience the trials of life on your own and, before God, bring to light all the teachings you received.

As a good Mother, I have been shaping My little children, externally and internally, and even though you may not perceive it today, when the moment comes to act, you will see the necessary tools emerge from within and what I say today will come to your memory.

Through daily and merciful prayer you will mature, in your consciousness, the luminous results of My Presence in your lives. If you are persistent, besides the external impulses you receive, and making use of every inner impulse you received, you will be able to see built in the spirit the strength you need to cross the threshold of life between the old and the new human.

Always count on the presence of the Holy Spirit, which will always invisibly aid you. In the Universe, the Holy Spirit represents the permanent Mercy of God and His eternal Grace for all His creatures. It is through the Holy Spirit that the Lord acts permanently in His children, and

irrespective of all actions taken, one who repents in their heart and opens in spirit, will receive the Grace of the awakening and the redeemed return to their Celestial Origin.

Today I tell you, My beloveds, that these are times to lift up the eyes to the Sun that is being born and rises over the horizon, and hold this divine lighthouse as the only goal in your lives. Walk steadfastly toward that Sun of Eternal Grace, and do not look to the sides nor behind, nor to yourself. With your gaze firmly fixed on the Living Christ, contemplate His Return, His new birth in life on Earth.

I eternally thank you for being united at this time to My Heart and aiding in My Plan of Salvation for souls.

I love you.

Mary, Mother of the Divine Conception of the Trinity
