Message for the Apparition in the Marian Center of Aurora, transmitted by the Most Holy Lady of Aurora, the Virgin Mary, to the visionary Sister Lucía de Jesús

Consecrate yourself to My Heart, so that I can take you to the Kingdom of the Heavens in heart and consciousness, and so that your soul may be an instrument of God.

Consecrate yourself to My Heart, so that through you all humanity may experience the holiness and consecration of its essence.

Consecrate yourself to My Heart, so that this world may be perpetually united to the Most Sacred Heart of My Son, the One I bring as a celestial gift to humanity.

Consecrate yourself to My Heart every day, so that your soul does not run the risk of getting lost on this path so full of shadows and traps.

Consecrate yourself to My Heart, surrendering your life and all of your virtues to Me, so that I can have them available for the salvation of all souls.

Consecrate yourself to My Heart, and set an example of life for all creatures.

Consecrate yourself to My Heart, and be the thread that leads the evolution of the lesser Kingdoms, which will find in you the path to evolution.

Consecrate yourself to My Heart, tirelessly, so that the temptations of this world may not overcome you.

Consecrate yourself to My Heart and be the joy of the Heart of God, so that I may find in you the reason to intervene for humanity.

Consecrate yourself to My Heart and do not lay down your arms; be a tireless soldier of this army of Peace.

Consecrate yourself to My Heart, My son, My daughter, so that the Plan of God for this world may be fulfilled.

Walk towards the consecration of life permanently.

Always count on the help of My maternal arms when you fall on the ground and feel that the oppression of this world is greater than your ability to stand up.

Dear children, I want you to set an example of consecration for this world, so that through those who respond to My Call, this whole planet may light up and the souls may awaken to the consecration of the Divine.

Today I bring in My hands the Most Sacred Heart of My Son, which I lovingly give to the world, so that you may merge with Him for centuries to come.

I ask this planet and all the souls who listen to Me to not become distant from God, to not pretend that you do not hear My call; because each one who listens to Me has a greater commitment to Me, a mission given by God, a purpose to be experienced.

My beloved ones, My Heart arrives in the world at this time to reveal truths that have been hidden for a long time, and few hearts could unravel the mysteries that were hidden. But, for My hands to remove the veils that cover the eyes of humanity, I need souls who can help Me and who can sustain the Power of My Words.

Dear children, there must be souls consecrated to the Lord to sustain the weight of His Divine Justice and also the Power of His Mercy; who can hold those who are fallen and lift them up again.

Therefore, I want you to be strong as an Arm of God in this world, to be firm and determined; let there be no doubts nor fears in your hearts; may you not be lukewarm, may you not be weak, but may you surrender your weaknesses to the Father and open space in your hearts so that the Divine Spirit of the Creator may enter with all Its Glory and Majesty, and you become tireless and invincible in the Heart of God.

Know that from God comes all the Power of the Universe, and the one who is in His Omnipresence will not perish.

By the healing Power of the Celestial Kingdom and by the Healing that emerges from the interior of this world, I bless you and protect you. I guard you and lead you into the Kingdom of God, into His Heart.

Mary, Lady of Aurora and Queen of Peace
