**Daily Message of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Dear children,

On this first of April and in preparation for My pilgrimage, I want to ask the more than three hundred groups of prayer of the Light-Network for special prayer assistance.

The spiritual request will consist in praying the Holy Rosary for six months, each day for a nation or group of nations of the Americas which I will indicate. For this cause and for the triumph of My Immaculate Heart, with Me you will pray a mystery of the Holy Rosary on Monday for Venezuela, on Tuesday for Uruguay, on Wednesday for Brazil, on Thursday for Paraguay, on Friday for Argentina, on Saturday for Chile, and on Sunday for Central America and the Caribbean, which will encompass Nicaragua, Panama, Puerto Rico, the Dominican Republic, El Salvador, Honduras, the Lesser Antilles and Mexico.

This request for prayer is so that you help your Celestial Mother, so that Her Immaculate Heart may triumph not only in souls, but also in the spiritual consciousness of the nations. The social, political and human disorder that some nations of the Americas experience cause interference in the Plans of the Father, and My adversary takes advantage of these conflicts to keep My children from waking up to the call from the Heights.

I come to ask that all the groups of prayer meet at least once every fifteen days, to pray together through the means of communication you have used to support the prayer task. In this meeting every fortnight, your Mother expects that a consecrated representative of the Order will be present.

The visionaries will accompany the meetings of this six-month prayer mission. Uruguay and Argentina will correspond to Mother María Shimani; Brazil and Chile, to Sister Lucía; Central America, to Friar Elías; and the others who are consecrated will accompany the rest of the nations.

With this mission, we will help to prevent a future social and political disorder which threatens the integrity of the peoples in the Americas.

I will be accompanying these meetings closely.

Who blesses you,

Your Mother Mary, Rose of Peace
