WEEKLY MESSAGE, TRANSMITTED BY MARY, MOTHER OF GOD TO SISTER LUCÍA

Dear children,

I come as the Lady of your lives to awaken and strengthen the brave hearts that give themselves day by day in prayer to My Immaculate Heart.

My children, once again, I come to remove from your hearts the fear of the times that have already arrived, the fear of being transformed, the fear of sacrifice and the fear of living the Will of God, because it is time for your hearts to be nourished by faith, devotion and absolute surrender to the Most Holy Heart of Our Lord.

I am the intercessor of your hearts and lives. If you pray with Me, I can be ever closer to your hearts and I can eternally be before God, pleading for the souls of the world.

I Know that your hearts do not comprehend when I speak to you about sacrifice, and that your hearts ache at the thought of absolute surrender to God. For this reason, I come to unveil this mystery to you, asking you to only offer the difficulties of life, to simply be grateful for the opportunity to live transformation daily.

Offer to Me, to God and to the Sacred Heart of Christ, all victories and defeats of life because in the eyes of God it is only one offer.

To live in sacrifice is to live in gratitude, to live in the joy of the spirit despite all the events of life; because, My dear ones, for many, carrying out the Will of God is a great sacrifice and discovering it is a great mystery.

Today I tell you that the Will of God is in everything that you live, and that the history of your lives was written by Our Lord.

Thus, I come to teach you, My children, to live the difficulties of life in peace, because the complement of prayer is the offering of the spirit, mind and body, a sincere offering of all life, thoughts and actions.

To find the Path of the Lord, read the events of life, act from the heart, ask for the help of the Holy Spirit, untiringly, and be grateful, always grateful because this is the key for you to remain in My Peace.

Find within My Words the key to walk in God.

I eternally thank you and I accompany you from the Heart, so that your steps may never stray from the Path of the Lord.

I deeply love each one of your hearts and I untiringly wait for your true awakening to the Love of the heart, a Love radiated by the Heart of My Son.

I thank you for responding to My call to the consecration of your life.

Praised be Jesus Christ, eternally.

Mary, Mother of the Divine Conception of the Trinity
