**MESSAGE FOR THE MONTHLY APPARITION IN THE CITY OF MADRID, SPAIN, TRANSMITTED BY THE LADY OF THE MOST HOLY ROSARY TO THE VISIONARY FRIAR ELÍAS**

Dear children:

Thank you for having responded with effort and prayer to the call in order for you to receive Me during this month of May in Europe.

Sublime lights that are born from My Heart by means of the Kingdom of Fatima, are expanded on this day for all the souls. Celestial gardens descend from Heaven and are manifested so that the souls that have fallen may find again the path of return to God.

The Kingdom of Fatima on this day elevates, from inside of the hearts, all the dwellings, all the inner sanctuaries that are revealed and that are presented as an offering before the Kingdom of the Creator. The angels of the Kingdom of Fatima, attentive and serving, today take up in their divine hands the offerings of all of those who have said yes to the call of the Universal Mother.

Cherubs and Seraphs of the Kingdom of Fatima are congregated in the name of the Love of My Son, to traverse the heavens of Europe and give a touch of light and of awakening to the sleeping hearts; in this way all the lives that are on Earth are impregnated by the maternal strength of the Immaculate Heart.

The Voice is heard by those who have opened the heart, and all in consciousness, are prepared for the great moment of the Return of Christ. For this reason, My Immaculate Heart goes on pilgrimage together with Its children to call them to the mission for Peace.

For each city that the Virgin from Heaven passes through, the souls recognize the merciful moment that they have been given to live and feel in the depths of their beings the Divine Grace that comes from the Universe.

New stars are lit up by the simple and loving prayer; they now will be part of the crown of victory and the triumph of the Immaculate Heart.

Today Fatima, the Kingdom of Peace, celebrates the reunion of the dignified children of God with the Kingdom of Love. The hearts walk firmly towards the reconciliation of life and towards the spiritual healing of their beings.

The Universal Mother, the Queen of Peace, gathers them in this new cenacle in order to begin the apostolate of Christ.

That your torches of Divine Fire may be lifted to the Heights, because the hour has come for your hearts to light up the path of those who live in eternal darkness.

Be precursors of the Marian message and be a living testimony for those who have never believed in Christ, because great is His Divine Mercy, that which congregates you and unites you once again with the Kingdom of the Celestial Father; in this way you will see how your doubts are being erased

so that the new being may be born, the new soul and the great spirit redeemed.

May the Inner Sanctuary of Fatima be the sublime Light that guides you, may it be the primordial reason for living forgiveness and peace.

Blessings for all My children who are present!

Thank you for answering to My call!

Mary, Lady of the Most Holy Rosary of Peace
