**Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Dear children,

Through the Holy Spirit of God, once again I gather you together in the sacred oratory of My most pure Immaculate Heart.

It is for this cause, dear children, that today I would like to tell you that the task of prayer from yesterday, November 13, had great repercussions at a spiritual and planetary level.

Many things were avoided when those who prayed, present in the city of Porto Alegre and in the world, simply placed their consciousness and their love on all that was happening.

Once again, prayer triumphed in various regions of the planet and, through the love placed in each one of the words, sinful souls were benefited by the powerful channel that was opened yesterday by all.

I will always want to see you, My children, with the same attitude and enthusiasm as yesterday. This brings joy to the Heart of God, and His Works of Pity and of Mercy become possible in the world.

Dear children, thus today I invite you to have your lives become a place of constant prayer and attunement with the Celestial Universe. When more souls dedicate attention to the importance of praying from the heart every day, greater will be the divine effects upon the world and especially upon the causes of conflict.

May peace be the purpose of each server of God.

I thank you for responding to My call!

Who unites you with the loving Heart of God,

Your Mother Mary, Rose of Peace
