DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

May My Eagle of Light pour out the powerful rays of My Heart, rays that will illuminate the path of good souls, souls who must achieve redemption, just like you.

May My Eagle of Light radiate the codes of rehabilitation to the nations and peoples; and when you see the Eagle of Light passing through each place, hearts can recognize the affiliation with My Heart.

White Eagle, in your flight, you exist to remember that the Holy Spirit of God belongs to every heart that invokes It to live its transformation.

Eagle of Light, you exist to elevate your children towards God and to remind them of the saving Message of Christ.

In your interior, Eagle of Light, keep the redeemed who, like so many of My other servers, could clearly see the footsteps of Christ and thus, you have gathered in Your most pure Spirit all those who today celebrate redemption with you.

May your walk, through every space, leave shining the joy of re-encountering God, just like the star marks its infinite Presence in the firmament.

Eagle of Light, you are the spirit of divine works; you are in humility the true offering of the Plan of God to the planet.

Never tire of flying, Eagle of Light, for behind you still walk the seekers of your light; lead them all towards the Kingdom of Adonai to unite with the Love of the Universe.

Eagle of Light, as you pass by, leave the luminous Face of Christ engraved.

I thank you for responding to My call!

Today I bless this whole mission,

Your Mother Mary, Rose of Peace
