MESSAGE OF THE VIRGIN MARY, TRANSMITTED DURING THE APPARITION IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Friar Elías del Sagrado Corazón de Jesús:

We would like to say that, in spite of the silence, Our Mother never ceases to transmit Her Peace and the joy of being with Her children.

Tonight, She decided to transmit Her Words in written form, as She revealed to us that a great part of Her Consciousness was contemplating a situation on the planet which, according to our understanding, meant that She was, at that very moment, carrying out a task, being at one time here and in another place of the world.

So, She showed us this task She was carrying out, in which all those who are here and those who are accompanying through the prayer were participants.

We cannot say that Our Lady was worried; however, she was placing all Her attention, all Her energy, Her Presence, on this situation. And She told us that what She was showing today was a continuity of what She had told us yesterday.

We asked Her: "What, specifically, was happening?" She replied: "Something universal, dear children. Remember the seven knots."

At this moment, She started transmitting Her Message.

Dear children,

Through peace, I lead you towards redemption; and from redemption I lead you to eternal faith. Times have changed and it is necessary to pray with all the fervor of the heart for My work to be fulfilled upon the whole Earth.

Dear children, Jesus awaits you in the Eucharist to repair, thus, the Heart of God for the offenses that are still committed in these times.

Dear children, pray for the blessed ones who give their lives to God, those who give their lives for their fellow beings and for the Will of God, fulfilling My requests without delay.

Today, My Message is to tell you all these things even if they seem the same, they are, for Me, the most important, for faith must be sown in all My children.

Today I reveal to you that many of My servers will suffer for humanity and out of love for God, to liberate them from the great sin that leads many souls to perdition, the path leads to hell in this world.

Thus, My children, I invite you to persistence in prayer, to hope and Mercy, because some of My children were chosen by Jesus to be able to revert evil in the world. Let us pray so that the Plans of God may be fulfilled.

I thank all of you, those present, who participate from your homes and in their cities for responding to My call!

May the Grace of God remain in your hearts.

Mary, Queen of Peace
