MESSAGE FOR THE SPECIAL APPARITION OF THE FEST OF THE MOTHER OF THE DIVINE CONCEPTION
OF THE TRINITY, RECEIVED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY
TRANSMITTED BY THE MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY TO THE VISIONARY SISTER LUCÍA

Gladden yourselves and rejoice yourselves, because the One who is bearer of the Spirit of God comes to your lives to pour the Spirit of Redemption and Life over your souls!

Gladden yourselves all of you! Sing and pray with fervor to celebrate the day in which, in a special way, God is manifested through His faithful Servant!

May your souls sing and your spirits glorify God, because He has conceded to the world a day of greater Mercy, a day of Salvation and of renewal in His Holy Spirit.

My beloveds, as of today this day will be for your lives, and for the entire world, a day dedicated to the Spirit of God, because the Luminous Bird will descend over the world and will fly over the abysses, rescuing those who suffer in the darkness.

This will be a day glorified by its infinite Mercy, and it will be known in all the corners of the world by the most great Grace that the Lord has conceded to the Earth, because on this day His Spirit will approach the world and His Divine Hands will touch the hearts of those who suffer and that have been condemned by their own actions to live in the fire of eternal suffering.

Even the most unpardonable faults will receive Mercy; even the most lost soul will see on the horizon a light that shines; even the most closed heart will see their hard structures collapse, because the Lord will send to the world His Servant, who amidst such great chaos will expand forever His Light.

This will be a day known for eternity, because even facing the times of Justice the souls that glorify Me and cry out for My presence will open the doors of the world so that in it enters a great torrent of Infinite Light, of Divine Light, of Healing Light.

You will wait with joy and hope for the arrival of this day, because the Sun will shine in the darkness and the eyes will be dimmed before such great Light. The most ingrained sins will be erased from the sinful souls, and the sufferings of the hearts that are opened to Redemption will be dispelled.

My children, understand the greatness of the institution of this day and what infinite Mercy God gives to the world by conceding to His Servant the possibility of being among His children eternally, and to come to their aid even in times of trials, to show to them the path when everything seems lost to them.

May this day light up hope in the souls, because I will come to the world bringing in My arms the possibility of Healing and of Redemption for all My children, all without exception.

This will be a day known by the Infinite Grace that will descend on Earth, because of this I want you to announce to the world that there will always be a reason to go ahead and to revert the mistakes of life; there will always be an opportunity for those who open the doors of the heart; and even during the times of greatest chaos, when the eyes see only darkness and the hearts cannot find the courage they have always felt, do not tire of waiting, because when you least expect it there will arise in the sky, as a Bird of Fire, as a Luminous Bird, as a Radiant Sun, the One who will come to your aid. Her silhouette of Light will be seen by all the hearts thirsty for Redemption, and just a touch of Her hands will suffice to redeem forever those who persisted in waiting for Her return to the world.

Go, My children, and announce to the world that the days of suffering will cease, and that joy must reign in the souls for always, because infinite is the Glory of God, and eternal will be His Mercy.

Sing and pray with love, and teach as many as you can to pray, because this will be the only key to open the doors of Heaven. And if some day your lips can no longer pronounce words of praise, light up the heart and in the intention of the spirit, cry out for My presence. I will always come in your aid.

Your Beloved Mother, Mary, the Sun that conceives in your lives the Divine Trinity.

I thank you eternally and I will thank you even more for persisting by My side along the days.

Mary, Mother of the Divine Conception of the Trinity
