Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

With eternal joy and profound peace, today I gather all of you again in the sacred oratory of My Immaculate Heart, for on this sacred day one of My awaited plans is fulfilled: the expansion of My Marian Message in the world.

For this reason, dear children, I have come to remind you that My Work is done through peace, with hands united together with Mine.

Thus, beloved children, the task of spreading My urgent Message to the world will always be based on charity, sacrifice and above all, the unity and love that your hearts can reflect toward Mine.

All My Work in this world, which your Heavenly Mother lovingly offers you, must be supported by the spirit of fraternity and not of power.

Beloved children, throughout the years I have made you grow in virtue, talent and gifts by My side. Thus, My most beautiful but simple images, through this means of universal communication, were presented to the unredeemed souls.

From the beginning, you accompanied My Work and you will continue to do so until the much awaited redemption of humanity is accomplished.

Although the time will come when I am no longer amongst you daily, but rather just visiting you in an extraordinary way, you, My very dear children, will have much to disseminate and publish. When you do so, you will see My requests, one by one, being fulfilled, for God needs it thus.

Children, while you purify yourselves and take the first steps toward a greater maturity, I ask that out of love for My Most Sacred Heart, you keep your souls united through the Graces and the wonders that I have poured out for you. I would like to see you more united, not only in My celestial joy, but also in the challenges and the tests.

Many of those present here today would already be prepared to be part of the new team of soldiers that will work in the expansion of this immaculate Project of God: the redemption of the modernity of the world through the Divine Message of the Sacred Hearts.

Before the Presence of Christ and of the angels that accompanied Me during My Glorious Assumption, I receive the sincere offerings that you will commit to work with Me throughout world for the planetary redemption. For this, I ask that on a piece of paper, you write your aspiration of accompanying and supporting this new Project that will be presented to everybody today.

My only Purpose, beloved children, is that the world and souls achieve peace.

I thank you for responding to My important call!

Who blesses you,

Your Mother Mary, Rose of Peace
