DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Dear Children:

If pity did not exist, the world would already be lost, not only because of the accumulation of its sins, but also because of the trickery performed by My adversary. But he knows that I can step on his head with My feet and he fears that this may happen.

The Compassion of God overcomes every fault or evil. It is in the school of compassion where I need you present so that you may learn to love your fellow beings, beyond their mistakes. This will help them heal the spiritual wounds of the past.

Today, I come to show you that once again Divine Pity saves, rescues and redeems you. In these times, My adversary activates his plans against his enemies, against all the promoters of peace. Therefore, you must be prepared in prayer and in vigil. This is part of the Armageddon, of its first phase which is unknown to humanity, since it has never faced it.

Everything will come to light, the deepest and most hidden things will be purified; for this you must prepare yourselves, without anxiety or fear, with patience and harmony, in spite of your own adversities or abysses.

A true mother never abandons Her children, She accompanies them closely with eyes of wisdom and discernment.

My children, within yourselves, aspire that all purification may soon pass, so that the spiritual being may finally be born.

In the meantime, continue in prayer, do not fear for anything. Truly, you will know what you never knew of yourselves and you will see what you never saw of yourselves.

God allows all of this so that, once and for all, you may enter His Heavenly Kingdom, in purity and love.

You will never lack help, here We are.

I thank you for responding to My call!

Who watches over you, in love and compassion,

Your Mother Mary, Rose of Peace
