Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

The deepest secrets about the destiny of the humanity of today are revealed in the silence of My Maternal Heart. Those secrets are the inner visions of your Heavenly Mother about the Redemptive Plan of Christ for humanity, and about all those who will participate in these final events.

To know the secrets of My Immaculate Heart is to feel the grief of your Most Holy Mother on seeing the lack of connection on the part of humanity.

Besides there being real prayer groups and good Christians, the awareness that something must change soon must emerge before it is too late. That awareness will demand a complete and total change from everyone so that the spiritual outcome of today's humanity may be different.

The Celestial Universe knows that only with decisive events, marked by the Law, can this most necessary change be awakened.

In His Heart, the Father feels that the world does not want to abandon comfort to experience a beginning of transformation; it is for this reason that the greater demand will fall on just a few, in the name of sacrifice and surrender to the Plan of God. But this will not be for very long; only until the most severe cycle of the transition on Earth begins.

Those who sacrificed themselves and endured for others will be crowned by the very King of Love, and will be the living testimony of a victory achieved by Christ Himself. It is for the rest of humanity to repent soon, or at least as soon as possible, since the Law of Justice will be decisive and will separate the chaff from the wheat.

There is no time to lose; let hearts and souls truly repent, confess, and receive forgiveness and absolution so they do not continue to commit the same errors. Let them commune and hold within their hearts a sacred space for when Christ returns; in this way, the Divine and Glorious Light of My Son will become visible in the world.

I thank you for responding to My call!

Who awakens you to the true planetary reality,

Your Mother Mary, Rose of Peace
