SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children,

Opening the doors of Heaven towards the planet, your Heavenly Mother gathers you today, in the oratory of Her Immaculate Heart, to pray and implore for Peace and Mercy for the whole world.

Dear children, Your Mother of Heaven prepares everyone and, especially the future missionaries of peace, to face the human terrors and the continuous flagellation of hearts, of sibling souls who suffer every day from the result of a great error without end.

Dear children, the humanitarian mission in Hungary and Turkey will be very important. You will see two parallel realities that are on the same level, in the same planetary situation: the lack of peace.

My children, the mission in Africa was an important preparation for this next mission that must be fulfilled in this critical time. Despite its suffering that has still not been healed, Africa experiences, deep inside, a true love that is slowly recovering, through acts of forgiveness and reconciliation.

The Middle East has forgotten about God and, despite the beliefs, the Universe would never propose to hurt anyone nor impose any spiritual or religious doctrine. God teaches us, dear children, that everything begins and ends in Love; without Love nothing is possible.

In this time, souls seek happiness in their fellow beings and, although this human love exists, true happiness is found in the Heart of God, which will always impel you to find hope and transcend fears.

Through the conflicts of this time, souls that are subdued by terror lose the memory and the feeling of loving God and their fellow beings. This makes consciousness totally forget that Divine Love and Compassion exists; which generates hatred, mortality and martyrdom, only for the sake of conquering a Kingdom which belongs to no one, only to Creation.

Dearest children, for this reason, I come to ask you for prayer, rosaries and novenas. If souls and conscious servers do not put forth effort, through offers and small sacrifices, hatred and ambition might embrace the whole of humanity and material life would acquire more importance than the Eternal Father himself.

The concern of the whole universe is that ignorance and false authority prevail, to create a human kingdom of lies and of ambitions.

But in the end, My Immaculate Heart will triumph within hearts that have always been witnesses of the Presence of the mercy of Christ in the world. It will be this inner testimony, of faith and hope, that My missionaries of peace must take within their hearts. This testimony will be the imperious

and loving call that will guide you before the great darkness and human calamity.

But know, My children, that My Grace will be your strength, and when you step on the ground of Turkey and Hungary, it will be your Lord Jesus Christ who will touch the earth with His luminous Graces.

Let us pray, because the war of ambition has still not ended.

May Peace be present within your hearts.

I thank all My children for concretizing this sacred mission!

I bless you, from now on, for this sacred task of Peace and Mercy,

Your Mother Mary, Rose of Peace
