Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay to the visionary Friar Elías del Sagrado Corazón

I am the Mother of the Holy Adoration; I assemble the flocks of Christ so that they may adore the Lord and glorify Him.

I am the Mother who opens new doors for those who are searching for the path to Infinity.

I am the Mother who solves the impossible and leads consciousnesses towards a single path, towards the path of the Lord.

For this reason, those who adore Christ will find themselves spiritually benefited by the gifts that the Blessed Sacrament always radiates. This mystery has now become the new sacrament for the spiritual life of humanity, which could reverse all the causes that repress the evolution and the awakening of the New Christs in the times of chaos.

I am the Mother of Mercy; I am the One who allows states of Grace to be poured out upon places in which everything would be lost.

I am the Advocate of souls; I am the Intercessor between creatures and God. Whomever lives Me and feels Me through prayer discovers the sure keys that will open all the doors of Heaven.

This is why My insistence for you to pray and adore is important; in this way, you will be in a spiritual place protected and isolated from the influences of My adversary, influences that will be conveyed to a non-believing humanity more and more.

Thus, I come again to show you this portal of Adoration so that, beyond every test and difficulty, you may remember in the coming times that Christ, present in the Blessed Sacrament of the altar, will hold you within His Divine Glory, and in this way, you will not be unprotected when faced with any action of the adversary.

The adorers of the Christ-Eucharist shall become happy and fulfilled. Thus, the time has come for you to use the instruments in a proper way, the instruments of Adoration, of prayer, of Confession and the instrument of silence, which is an attribute and a powerful asset the enemy is unaware of because of the constant noise of its world.

Children, I give you the keys; you must open the doors of the temple so that Christ may enter and have a dwelling place within the hearts purified and cleansed by the only celestial truth: the truth of Christic and Redeeming Love.

I thank you for responding to My Call!

Who unifies you in the essence of the precious Adoration of Christ,

Your Mother Mary, Rose of Peace
