MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF FIGUEIRA, TRANSMITTED BY THE BLESSED VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

Dear children,

Praise be always Our Lord Jesus Christ.

My beloved Marian soldiers, for this day, Our Lord waits for the absolute renewal of your hearts in the Mercy of Christ, which today descends to Earth.

For this Vigil of Prayer, I ask that you fervently pray for the union of peoples, races and human hearts. I ask that you pray, with a special devotion, that all human beings be able to be united in the Heart of God.

As the One God, today the Lord invites you to abandon at His feet all the differences that exist between beings, He invites you to find within the Graces brought by His Spirit the unique and clear essence that exists in all creatures.

Open your hearts today to receive the Spirit of Unity, of communion with the One and True God, because the path of conversion, My children, is also the path of unity and of love between beings. For the Lord, there is no difference between His creatures, for He can see the essence that unites you, which is the truth latent in your beings.

Beloved children, to find unity, it is necessary to dissolve criticism, judgment and the lack of understanding of the Laws of the Lord.

Today you will have special help from the Heavens to take a new step in the path of transformation, a step that will define you on the path of unity.

Dear ones to My Heart, to experience a sincere transformation in life, find in My Heart the strength, the bravery and courage to continue forward. In the prayer of the heart, you will find the Will of the Lord in a simple way, and you will be able to hear His Voice that resounds within your beings, revealing to you the Truth.

My dear ones, I hope that in this last impulse that descends from the Heavens, your beings may find the maturity of the soul, which is to love God above all things and love your fellow being as yourself.

If you expect to have a mature soul, offer yourselves to Divine Love and be willing to learn to love because growth is nothing more than knowing how to love with a purity of intention, with truth and intensity.

Today I leave these keys for you: unity and love. And I ask that you trust in the steps guided by God and in the instructions sent by Him through His Instructors and Messengers.

I love you always.

I thank you for listening to My Words with your heart.

Mary, Mother and Queen of Peace
