APPARITION OF THE GLORIFIED CHRIST JESUS, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 6th MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

The new apostles have been born in the essence of the heart, but they must blossom upon the path of service so that the Peace of God can be established on Earth.

I bless you and love you.

Go in peace and in joy.

Many of your brothers and sisters were helped, many were rescued from the path of damnation, many brothers and sisters close to you.

I thank you.

Friar Elías:

We will listen to the bell strikes to say goodbye to our Master, responding to His request, and we will say goodbye to Him by singing "Apostles of Love."

Let all the bells ring.

See the faithful example of the new Sacred Family, the Sacred Family of the New Era.

I thank you always.

God is honored by this day.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías:

We would like to share an event with the brothers and sisters about what Christ manifested for everybody and what he spoke about through today's message, which has to do with the Kings, those that visited Our Lord in Bethlehem.

But before that story and sharing the Message, today, when the Master appeared, He was surrounded by angels.

There were two angels, and each carried a harp, which they were playing. When they played the harp, which was a perfect sound in unison, a door opened through which the Master came, and the first thing of the Master that appeared was the blue Ray, the turquoise Ray that comes out of His

Heart. With all His Love, He was pouring out the energy of Grace upon us.

After the Ray appeared, the Master manifested completely; He was accompanied by other consciousnesses, and as from that moment, while He was giving the Message for today, He said: "You will always have Me close by; it is not that I will never be with you again, but rather, that I will be closer, when you allow it."

While He was talking about the message of the Kings, He was drawing the group closer to that moment, toward that passage in history, at that moment of the Birth of Jesus, when the Kings were guided by that great Star of Bethlehem. Christ was saying to us that many consciousnesses from that moment on the planet, the moment of the Birth of Jesus, were aided; they were favored as the Kings were walking toward Bethlehem. But, according to Christ, it was not only three; there were many more that went to that meeting.

After this, Friar Elías reads the [Special Message of January 6, 2014](#).

And during the Apparition of the Master, while He was showing us the planetary need which He was covering at the moment while He was with us, He was sending the angels to assist many souls.

At a certain point, He directly addressed this group and said:

"I am not the One Who lifts you up; it is My Mercy that uplifts you. I will listen to the hymn that you have made for Me, and I tell you this so that you keep it well in mind: I do not lift you up; it is My Mercy that uplifts you."

And as thanks, He asked that we sing "Lift us up, Lord."
