MESSAGE FOR THE 7th ANNIVERSARY OF THE APPARITIONS OF THE MOST HOLY VIRGIN MARY, TRANSMITTED BY MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO MOTHER MARÍA SHIMANI DE MONTSERRAT

My very dear and beloved children,

Today I am here, as I have been in the last seven years, to bring peace to the world and to leave in your hearts the unfathomable footprint of My Love.

During all this time, the Father has allowed Me to free you, redeem you, rehabilitate you, heal you, give you Graces and protect you within My Heart. He has allowed Me to renew you in faith, heal your families and give you a path of hope upon which to place your feet and thus be able to help this humanity loved by Me and by My Son.

After so many blessings, I, the Queen of Heaven and Earth, come to humbly ask you to keep those treasures in your heart, and that you do not allow anything to cause you to lose them. In the depths of your souls, keep this precious jewel of the spirit that the Almighty God has allowed Me to give you.

My children, I come to implore that you not give up, that you resort to these treasures Heaven has given you so as to be able to face the times that will come, a new cycle that needs to find you more mature and full of the Love of My Son. He will prepare you in this time so that with your lives, you build a path in this world upon which He will return and definitely free this humanity from pain and oppression. Be assured that when you walk at His side, you will remember when the Queen of the Angels told you that, united in faith and in God, you would achieve this.

I have been observing this group of souls that, through the impulse they have received from the Divine Messengers, has been able to strengthen its faith and move through the threshold of pain. With eyes of a merciful Mother, I have contemplated those who still have not dared to give Me their hearts; but I lovingly wait for that blessed day, in which you fully trust in what I say to you and in what I offer you: the sure bridge towards the Glorified Heart of Christ. Where else would you want to be?

Today, in the total splendor of Aurora, I come to thank all who have built this end time altar so that there I may place teraphim of healing and redemption for the whole planet. For when I no longer come each month to be with you, because you will already be experiencing a new cycle, My Graces will remain here, from which all will be able to come and drink.

My beloved children, I leave you My healing Peace and eternal gratitude for having responded to My call.

Who covers you with Her Mantle of Peace,

Mary, Mother of the Divine Conception of the Trinity
