DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Dear Children,

As the Mother of Justice, through My requests, I allow you to know the Law of God and the positive effects it has on this humanity.

In order to find the way to the Law and to live in it, I have taught you, My children, the word of prayer, for the prayer of the heart is a little-known Law. The one who unites to it discovers and knows how to be within the Law of the Creator.

Today, humanity is far from the Law of Balance, of Harmony and, above all, from the Law of Divine Love; all this is a consequence of the fact that humanity creates their own laws and carries them forward, completely ignoring that the true Law is the law of Love and of Inner Unity.

The laws of the Earth dominate consciousnesses and distant regions and this always falls upon the most unprotected. Therefore, as your Mother of Justice, I teach you at this time how you must seek and find the Inner Law through acts of love and charity.

In this way, beloved children, you will be on the way to finding the Laws of God. Remember, dear children, that the first Laws that God gave you through Moses were the Commandments, which in these times are completely forgotten and are not fulfilled.

The Divine Laws persist and act throughout the times, the universes and humanity. When the Laws are not fulfilled and are altered by humanity, the result and the consequence of this is endured.

Through the Commandments that God transmitted through Moses, the whole race was to be educated and prepared to find the way of rehabilitation and peace. Now, when all can see how humanity transgresses the Law, I invite you, children, in a special and immediate way, to live in the Laws of God before it is too late.

The first Law that you must practice and implement in your lives is the Law of Forgiveness and Reconciliation; only with these two principles will you have work and effort to achieve it. And remember, My beloved ones, that your Mother of the Law is always present to help you grow from the heart.

I thank you for responding to My call!

Who leads you to the knowledge of the Laws of God,

Your Mother Mary, Rose of Peace
