**Extraordinary daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón**

### **The principle of the universal Sacred Family**

Once upon a time there was a humble family of Nazareth, who in their spirit cultivated sacred obedience to the Divine Laws.

From a most pure womb was born the Supreme Mercy named Jesus, and in those very difficult times, the Three Sacred Hearts accomplished a task in support of the spiritual salvation of humanity.

From Saint Joseph emerged the humility to serve God. In Mary was expressed the obedience and the love for souls, and in the little Child Jesus was manifested the Grace and Mercy of the Greater Universe.

It was this project of Sacred Family that should be cultivated in all non-redeemed creatures. It was this well-thought-out project that would transcend the barriers of evil and of pain through the Love professed by the little Jesus.

This triune project ended when the Master fulfilled the Will of God on allowing Himself to be nailed to the Cross, and it was there that Sacred Mercy was poured out once again over the world.

It is this project that is still latent in the Divine Messengers, and it is for this that They work tirelessly, so that the greatest work of planetary redemption may be fulfilled in humanity.

Let the inner ears of creatures be opened so that they may listen to the celestial call, for the Will of the Heavenly Messengers, which encompasses all things, is that all creatures of the Earth be a universal sacred family. And it will be during the time of purification, My children, that this sacred and divine desire of God will be able to be concretized.

Do not cease to work for your redemption. Do not rest until you are completely empty of yourselves; it will be in this way that My Son will find new clay to mold the archetype of a family divinized by God and by the Most Holy Trinity.

It is this sacred creative project that must be fulfilled in at least a part of humanity. When somebody manages to live the principles of unity and love, it will be the sign for the Divine Messengers that the Sacred Work has been completed.

It will be on that day that the angels will sing Hallelujah, for they will have seen the promise of the universal sacred family fulfilled, which must be formed by each one of you; thus, evil will be liberated from the planet.

I thank you for responding to My call!

Who unifies you in the Most Holy Trinity,

Your Mother Mary, Rose of Peace
