MESSAGE FOR THE APPARITION OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE CITY OF MONTEVIDEO, URUGUAY TO THE VISIONARY SISTER LUCÍA

Blessed will be those who have understood My Presence, those who trust in My Words and those who follow My Heart.

To those who aspire to reach the Kingdom of the Heavens, I say: this is the hour of conversion, of the surrender of all faults to God and to humbly receive the forgiveness He sends.

My children, more than once I have said to you: awake, awake in time to receive the Mercy, which flows from an infinite spring of the Kingdom of God. Awake in time to see that the Hands of the Lord are extend toward your hands; that the Heart of the Lord is open to receive your hearts; that the Forgiveness of the Lord is ready to definitely erase all the debts that you have with God.

Beloved children, there is still time to make a correct decision in your lives. There is time to be true servers, ready to manifest the Will of God. There is still time to balance the part that is yours to do in this world, through prayer, fasting and a sincere confession to Christ.

When I tell you there is time, it is because there is time to act, to decide to respond now to the call of the Heavens. When I tell you that you are in time, I want to show you the opportunity for reconversion that the Lord places before your lives, so that even those who believe they are awake can truly awaken to the last call of God.

My children, the Lord has already sent all the Graces, has offered you His Son, His Kingdom, His faithful Servant, His hosts of angels. What more are you waiting for to accept the call of God? What more can We do so that the will to awaken be greater than the slumber that you feel?

The world is asleep, dear children, to the existence of a greater life. There are many who chose to not awaken and closed their eyes to the existence of God. There are many who believe they serve the Lord and do not perceive that a long time ago they closed their doors to Him. And there are many who give very little of themselves, when the world needs that each one give everything of oneself.

It is time to give oneself, little children, to give oneself to the Creator of all things. This which Is the very giving of Self, Who gave you life and offers you Eternity.

So immense is the Mercy of God that, to those who are most lacking in Him and forget His existence, He never tires of calling and in every way tries to bring back His children who get lost on the way.

That is why I am here, My children. I am the Mother of your hearts, sent by the Supreme Lord to awaken your consciousnesses, to make them active and prayerful. I am here because it is now time for the rescue, and My soldiers must be ready, for there is much work awaiting them.

If you knew the world as I know it, there would never be complaints in your lives, and once and for all, you would decide to accompany Me.

Thus, My dear ones, place all your difficulties at My feet and allow Me to Guide your lives through permanent prayer. Come with Me, do not fear to follow Me; I have waited for you for a long time. For centuries, humanity has been preparing; it is time to begin to act.

If you want to know where to begin, where to be or what to do, pray, pray and pray. Truly fast, commune with My Son and listen to His daily Words.

Walk, walk, for you are in time.

I thank you for listening to My urgent call with your heart.

Mary, Mother of the World and Queen of Peace
