APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

I will always return to the world for a cause of good and forgiveness because I ardently wish for all My children to reconcile with the Celestial Father. From His supreme Source, He has His Arms open and His Hands reaching out to the world. His Heart impels all by means of Love, His Heart ignites in Compassion and Mercy.

Do not believe, My children, that all that happens in the world is caused by divine punishment, what happens today in humanity is caused by the indifference and omission of the Law, which many of My children have carried out in these times.

For this reason, I invite you to return to the Heart of God, because in the Heart of God you will understand all things. I invite you, time and again, in an untiring way, to turn your gaze towards God.

God waits for each one of you, His children. He waits to be able to embrace you and console you, He waits to be able to impel you through the Holy Spirit. Beloved children, His universe is so full of Grace and Mercy, that they can no longer fit in the Heart of the Divine Messengers.

We need to pour out upon the world the Forgiveness and Mercy of God, but there are still few hearts that open up to love this mystery, to be able to receive in their life all the Graces of Our Creator.

He is waiting at this moment, just as I wait for the people of the desert to reach the Promised Land. The New Earth that will come is the Earth of the New Humanity. I invite you, My children, to consciously postulate yourselves for this, allow your souls to walk toward this aspiration and toward this purpose. Thus, many situations will be relieved, many catastrophes will be avoided, suffering will be dissolved in the hearts if only souls turn toward God.

I come to repeat a Message similar to the one I once delivered in Fatima. Today, My Heart comes to implore to you, My children, no longer suffer, no longer live in chaos, in adversity or in battle.

My children, surrender, turn toward God. He hopes to feel your hearts and souls very close, so close that each one of you can be invaded and filled by the Love of God. The Eternal Father created your humanity so that you would always live within His Law of Love and Unity.

Beloved children, look around you, see how the world is, see how the Kingdoms of Nature are, see how the peoples and the nations are at this moment. How can the cure to this pandemic come if hearts do not turn towards God and abandon the god of modernities, of trends, or even the created god of abortion?

Beloved children, I offer My Womb of universal Light so that it may gestate in you the new Attributes of the Eternal Father, I say to you new Attributes because many have lost them.

My wish is that, through My maternal Heart, through the rays of My Heart, I can deliver to the world the same attributes and virtues that the ancient people of Israel received.

My children, do not forget that you are a part of the tribes of Israel because someday everything will return to its origin and many of My children, who today postulate themselves for the New Earth, will have the Grace of being participants in the coming experience of the Kingdom of God, in a living experience, not a mental one.

I ask you, beloved children, to avail yourselves of My Immaculate Heart, My Heart is the bridge that will always lead you to God.

How much suffering I see in this world!

How much pain I suffer, close to each one of My children of the whole world!

Who will accompany Me in this battle?

Who will raise high the torch of Christ? so that the darkness of this world may be dissipated and souls many no longer be abducted by the hells of the Earth.

Beloved children, do not fear, but this is the time of Armageddon. Open your eyes and eradicate from yourselves all indifference, may your hearts be flooded by the Love of God, because in this way the angels of the Father will descend more toward the Earth and help in the impossible causes and situations.

I have told you once that I am your Celestial Advocate. Do you believe in this, My children?

After more than thirty-six years in Medjugorje, I continue here in South America, and, from here, I deliver to the whole world My Message of Love and supplications for all the hearts that still need to be transformed through prayer.

Overcome the barriers that you have imposed on yourselves, transcend the limitations that you have put on yourselves and close the doors to evil. Within your self-giving lies the key to the strengthening of the flame of your faith. In your charity lies the key that will free you from yourselves forever.

The greater number of My children who serve in the world, the greater will be the Graces that will descend to Earth, to those who are submerged in suffering, in war and even in damnation.

But I come from Heaven, bringing at this moment the Kingdom of God for all, reconsecrating your hearts at each new meeting.

I told you last month that August is a month of renunciation and of little sacrifices. The offerings that are coming to me are still insufficient. I do not need great sacrifices, I need small sacrifices made out of love, which may move your hearts and lives away from comfort and even from routine.

Beloved children, if we do not unite, we will not be strong in Christ; but if we truly unite, together we will win in this planetary transition. The true transformation will take place in your hearts, in your lives.

Before My maternal Heart, I still contemplate all the needs of the world, especially the needs of souls, because many of them are thirsty for God, thirsty for Love and thirsty for Peace.

Now is the time for My praying armies to be whole and available for this battle. Remember that many of you are under My Mantle, I make you invisible and imperceptible by means of the power of the prayer of the heart.

May your prayers expand, may your prayers increase until you manage to feel that you are touching the Heaven of God, until you have absolute certainty that you have learned to feel the Heart of God. Beloved children, it is so simple, that many do not do it.

I invite you, by means of this Message, to renew in the commitment of prayer; in this praying school, which I offer to you throughout the times. You have the Grace to climb the steps until you can reach Heaven, by means of the experiences of the degrees of love.

Today, I come as a Mother that supplicates. Today, I come as a Mother that implores. I come as the Mother that loves you in the perfection that God has placed in each heart.

In your self-giving, you will overcome the limitations of consciousness and, overcoming these material and mental limits, you, My children, will know how to help those most in need, those who will block themselves in this time of transition.

But keep something in mind, healing and redemption are available for all, trust in this mystery that Christ delivered on the Cross by shedding Water and Blood from His Heart in order to purify the whole planet, all the consciousnesses, and, even more, the whole universe.

Whenever you need, return to the mystery of My Son's Love. His Heart is also open and exposed to all through the sacred mystery of the Eucharistic Sacrament; the more you love the Eucharist, the more you will free yourselves from all difficulties and problems because the Light of Christ will always be invincible. And even those who commune in a spiritual manner at this moment and who cannot receive the Sacred Eucharist, may they not be distressed.

By means of this portal of the Mercy of Our Sacred Hearts, God has granted the Grace and also the indulgence so that the hearts that participate in the spiritual communion, through this Work, will always be protected and supported by Our Hearts, in spite of all that they live or what they go through. I only ask you that the sacred Spiritual Communion, which is offered with effort and diligence, not to be just one more passage, but rather the most important moment of the day, when your hearts will be before Christ to receive His Love, the Love that will always strengthen you and save you.

Today, at My feet, I also receive all the intentions that you write for this Work, as well as the intentions of the hearts that, throughout the recent years, have adhered to the Work of the Divine Messengers, and, which, in their families and nations, experience difficult problems. Beloved children, offer these experiences as a great renunciation of your hearts, but also as a great sacrifice of love for My Son. Know that I am alongside each of those who need Me. I am walking by your side, I am your Mother and I will always help you because My Love must still be discovered by you.

Only when you love the mystery that I bring to you today, only when you love the Messages that I have revealed to you throughout the times, not only here, but also in other Apparitions throughout

the world, I assure you, My beloved children, that you will know the Love of Mary, an untiring Love, a patient and renewing Love, a Love of a Mother that accepts, that does not judge, that welcomes, that heals, that cures, that understands and that accompanies. This is the Love that I expect from each one of My children, especially from the mothers of the Earth who suffer in these times the calvary of their children, the lack of understanding of hearts, the loss of souls in all that this world today offers to them.

But I invite all the mothers of the Earth to unite to My maternal Spirit, because at this moment, and in this time, My dear mothers, there are many children to welcome, there are many children to spiritually adopt. Through the heart of each mother of the Earth, I will always transform everything and I will strengthen the disciples of Christ, I am the Mother of the cross of this humanity.

On this thirteen of August, My Heart closes a cycle in this place, to begin a spiritually wider and more profound cycle in Europe; and I aspire for this to also be possible in Asia and Oceania, as after the Apparitions of Akita, all these peoples wait for My arrival and My return.

I will head to a challenging task, sustained by each one of My children through the fidelity in the prayer of the heart and, even more, through the fidelity of the Sacred Communion with My Son.

So that this cycle may be blessed, I come to extraordinarily celebrate the Eucharist, in the company of the angels of transubstantiation of the Celestial Church of Christ.

And before I proceed to this moment, I want to thank all those who remain firm and faithful to the Work of the Sacred Hearts, and to those who dare, day by day, to offer their experiences or even their purification for the triumph of My Son's Plan. And I also want to thank that the Kingdom of Aurora has opened the doors for My arrival so that the Mother of God, in this new stage, may come with Her Message to more places of the world, to more distant places of the Earth that I will reach, with very few, but I will be faithfully accompanied by each one of you from a distance.

After this August 8, you have entered the school of inner unity, where there is no separation, limits or borders; where there is only unity and omnipresence between the hearts.

To conclude, after the exercise of the Spiritual Communion, which will now be celebrated, I want the choir to offer My maternal Heart the Ave Maria of Gómez, as a supplication that must resound throughout this universe and, mainly, in all hearts.

May this Message resound for a long time, until each one of the souls may understand and comprehend what I need for this Plan of Salvation.

Let us offer this moment to My Son, may He anoint you with His spiritual Light, and, may the spirit of apostleship and the mission strengthen itself in all those who offer to live it faithfully. And may this spirit of apostleship and mission multiply in those who must be self-summoned for this sacred task.

Let us celebrate.

Friar Elías del Sagrado Corazón de Jesús:

Lord Jesus, in the Presence of Your Celestial Mother, we ask that You receive this Sacrament, that You accept this offering of each heart that believes in You and that lives for You.

We ask You, Jesus, to sanctify this Altar, but to also sanctify our lives so that we can be the example that You expect, in the humility of life, in the simplicity of the heart; together with Your angels of transubstantiation, we elevate this sacrifice of the Altar, not only to remember the Passion that You lived for us, but also to give honor and glory to Your legacy, to Your legacy of Love and Redemption.

We divest ourselves, we empty ourselves and surrender, Lord, at the feet of Your Celestial Church, so that You, King of the Universe, Lord of Lords, Master among Masters, may be the One who celebrates this moment together with us, through the strength and the power of Your merciful Heart. Amen.

At the request of Our Lady, we recognize our faults in the silence of the heart and we repair them by means of the gift of forgiveness that springs from the Heart of God.

And thus, we offer this moment for the sacred task, for the Sacred Purpose of Our Lady for all of Europe and Asia, as well as for Africa.

That night, when Jesus was going to be handed over, He gathered His apostles to offer them the greatest testimony of His Love, by means of the transubstantiated bread and wine. Thus, Christ took the bread in His Hands and, raising it to God, offered it in sacrifice and in surrender, asking the Eternal Father for it to be transubstantiated into His Body.

Then, Jesus broke it, and offering it to His companions, He told them, "Take it and eat of it, because this is My Body, that will be surrendered for you, for the forgiveness of sins."

*We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
Amen.*

We adore and recognize the Sacred Body of Christ.

Before finishing the Supper, before leaving to the Garden of Gethsemane, where He would confirm His surrender before the Eternal Father, with the sweetness of His Heart and the compassion of His gaze, Jesus took in His Hands the Chalice, raised it, and offered it to the Father so that it might be transubstantiated into His Blood.

Then, He passed it to His companions, telling them, "Take it and drink of it, all of you, because this is the Chalice of My Blood, the Blood of the new and eternal Covenant, which will be shed by your Redeemer for the remission of all faults. Do this in remembrance of Me until I return to the world."

*We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
We praise You, Lord and we bless You.
Amen.*

We adore and recognize the precious Blood of Christ, together with the angels of transubstantiation.

Behold the Body and the Blood of Christ. Happy are those who have self-summoned to avail themselves of this Sacrament, because Christ has promised to us eternal life.

Prayer: Our Father.

May the Peace of Christ descend to Earth and enter each heart.

*Lord, I am not worthy that you should enter under my roof, but only say the Word, and I shall be healed.
Amen.*

At this moment, brothers and sisters, united to each brother and sister of the planet who participate in this sacred meeting with Our Lady, we offer and announce the Spiritual Communion.

Let us pray:

*Most Holy Trinity, Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen

Children, all has been consummated.

Now and always, I thank you for responding to My call.

I bless you, under the Light of Christ that strengthens you and encourages you to move ahead: in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

And we close this meeting, responding to the request of Our Mother, listening to "Ave Maria."
