WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

At this moment, how do you understand Life? through obstacles or through transcendence? Do you understand Life through tests or through challenges?

Life is the first Gift that God created so that His children, all His creatures, would be able to reach the highest degrees of love.

Life is a Gift, and it is also a treasure for God.

As a sample of His immeasurable Mercy, the Father sent His Son to Earth so that, through His Passion, Death and Resurrection, all of you would be witnesses, throughout times, of how great is the Love of God.

Today, I invite you, My children, to rethink your perceptions and even your understandings of what Life really is, the one that the Creator Universe gave you so that, within you, the power of love awakens through challenges and even through possible uncertainties that may arise along your paths of spiritual consecration.

By learning to perceive the essence of Life, you will learn to love; you will learn to recognize that, in this universe, everything that seems dual has the deep meaning of turning each of you into other people and other consciousnesses, under the sacred emblem of unity between creatures and the universe.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
