**APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL,  
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

One who gives will always receive what they need from Heaven. Thus, while I transmit My Words, offer the Creator the cry of humanity for all that is happening in this world.

Now go, and not only sing, asking for peace and redemption for the heart of Africa, but carry this peace and this redemption to the Africa that exists on each corner of this world and to the needy heart that is closer to each of you.

You must learn to serve each other; in this way, you will experience the fellowship that God expects of you in this time. So that you may do this, I bless you and deeply thank you, leaving My Chaste Love and My Spirit of Charity in the essence of each of you.

I thank you.

***Sister Lucía de Jesús:***

*Today, during the prayer, the Presence of Saint Joseph was very close to us. We could see that around the room, many doors to the Celestial Universe were opening into different places of the world, and through them, some souls could be liberated from the experiences they were having.*

*When Saint Joseph came here, He was dressed in a brown robe and a dark red mantle. He remained in silence for some time, then placed His hands in front of His Heart, and from it emerged a lily. He stretched out His hands with the lily, which multiplied and entered into each one of us. Saint Joseph explained that this was His Spirit of Charity so that we would learn to serve each other.*

*(Sister Lucía de Jesús then read the [Monthly Message of February 19, 2015](#).)*
